

between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children From Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination With Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and, therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

Safety Zone; City of Tonawanda July 4th Celebration, Niagara River, Tonawanda, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard will establish a temporary safety zone on the Niagara River, Tonawanda, New York. This safety zone is intended to restrict vessels from a portion of the Niagara River during the City of Tonawanda July 4th Celebration fireworks on July 4, 2012. NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

On May 22, 2012, we published a notice of proposed rulemaking (NPRM) entitled Safety Zone; City of Tonawanda July 4th Celebration, Niagara River, Tonawanda, New York in the **Federal Register** (77 FR 30242). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard is issuing this temporary final rule less than 30 days after publication in the **Federal Register**. Under 5 U.S.C. 553(d)(3), an agency may issue a rule less than 30 days before its effective date when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Accordingly, the Coast Guard finds that good cause exists for publishing this temporary final rule less than 30 days before its effective date because delaying the effective date of this temporary final rule would prevent its enforcement on the scheduled night of the event and thus, would preclude the Coast Guard from protecting spectators and vessels from the hazards associated with a maritime fireworks display.

B. Basis and Purpose

Between 9:15 p.m. and 9:45 p.m. on July 4, 2012, a fireworks display will be held on the waters of the Niagara River near Tonawanda, NY. The Captain of the Port Buffalo has determined that fireworks launched proximate to watercraft pose a significant risk to public safety and property. Such hazards include premature detonations, dangerous detonations, dangerous projectiles, and falling or burning debris.

C. Discussion of Comments, Changes and the Final Rule

As mentioned above, no comments were received from the public in response to the NPRM that preceded this temporary rule. Furthermore, there were no changes made between the proposed rule and this temporary final
