#### **The Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act) are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (1999).

#### **Background**

On August 13, 1999, in accordance with 19 CFR 351.213(b), counsel for three PRC companies requested that we conduct an administrative review. These three companies were Shanghai Gift and Travel Products Import and Export Corporation, Liaoning Native Product Import and Export Corporation, and Tianjin Native Produce Import and Export Group Corporation, Ltd. On August 31, 1999, the National Candle Association (petitioner), requested that we conduct an administrative review of twenty-two specific producers/exporters. On October 1, 1999, the Department published its initiation of this administrative review for the period August 1, 1998 through July 31, 1999 (64 FR 53318). On September 7, 2000, the Department published the preliminary results of this review (65 FR 54224).

#### **Extension of Time Limits for Final Results**

Due to the complexities involved with this particular case, including whether a respondent is eligible for a separate rate and the choice of adverse facts available, we find that it is not practicable to make a final determination by the current deadline of January 5, 2001. Therefore, in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time period for issuing the final results of this review until no later than March 6, 2001.

Dated: December 29, 2000.

#### **Sorbitol From France; Time Limits**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for preliminary results of antidumping duty administrative review.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the preliminary results of the 1999-2000 administrative review of the antidumping duty order on sorbitol from France. This review covers one exporter of the subject merchandise to the United States, Amylum France and Amylum SPI Europe (collectively, Amylum). The period of review is April 1, 1999 through March 31, 2000.

**EFFECTIVE DATE:** January 5, 2001.

**FOR FURTHER INFORMATION CONTACT:** Fred Baker at (202) 482-2924 or Robert James at (202) 482-0649, Antidumping and Countervailing Duty Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:** The Department initiated this administrative review on June 2, 2000 (65 FR 35320). Under section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit of 365 days. Because of the complexity of researching whether or not Amylum entries during the period of review (POR), and the need to allow parties the opportunity to comment on the results of our research prior to issuing preliminary results of review, we are extending the time limit for completion of the preliminary results until April 30, 2001. See Memorandum from Richard Weible to Joseph Spetrini, titled, "Extension of Time Limit for the April 1999 through March 2000 Administrative Review," dated the same date as the publication of this notice, on file in room B-099 of the main Commerce building. The deadline for the final results will continue to be 120 days after the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act and section 351.213(h)(2) of the Department's regulations.
