

ACTION: Notice.

SUMMARY: This document provides the public notice that Steamtown National Historic Site (SNCX) petitioned FRA for relief from certain regulations concerning stenciling and reflectorization of rail cars.

DATES: FRA must receive comments on the petition by July 17, 2025. FRA will consider comments received after that date to the extent practicable.

ADDRESSES:

Comments: Comments related to this docket may be submitted by going to <https://www.regulations.gov> and following the online instructions for submitting comments.

Instructions: All submissions must include the agency name and docket number. All comments received will be posted without change to <https://www.regulations.gov>; this includes any personal information. FOR FURTHER INFORMATION CONTACT:

Caleb Rogers, Railroad Safety Specialist, FRA Motive Power & Equipment Division, email: caleb.rogers@dot.gov, phone: 202-366-4000.

SUPPLEMENTARY INFORMATION: Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that by letters received March 20, 2025, and April 9, 2025, SNCX petitioned FRA for a special approval pursuant to 49 CFR part 215 (Railroad Freight Car Safety Standards), and a waiver of compliance from certain provisions of the Federal railroad safety regulations contained in parts 215 and 224 (Reflectorization of Rail Freight Rolling Stock). The relevant Docket Number is FRA-2025-0047.

Specifically, SNCX requests a special approval pursuant to § 215.203, *Restricted cars*, for one caboose (SNCX 889) that is more than 50 years from the date of original construction. SNCX also seeks relief from § 215.303, *Stenciling of restricted cars*, and the reflectorization requirements in part 224.

To support its request, SNCX states that the caboose is used in excursion service, primarily within yard limits and serves as a tool of historic interpretation. SNCX adds that the caboose is operated primarily during

daylight hours and operates at restricted speed.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

Communications received by July 17, 2025 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

SUPPLEMENTARY INFORMATION: Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that by letters received March 6, 2025, and May 16, 2025, NCRA¹ petitioned FRA for an extension of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 223 (Safety Glazing Standards—Locomotives, Passenger Cars and Caboose). FRA assigned the petition Docket Number FRA-2011-0069.²

Specifically, NCRA seeks relief from § 233.9, *Requirements for equipment built or rebuilt after June 30, 1980*, which, in part, requires locomotives with those characteristics to be equipped with certified glazing in all locomotive cab windows. NCRA seeks an extension of relief for glazing requirements on steam locomotive 17, which is used in tourist excursion service.

¹ The petitioner is Steam into History, Inc., doing business as Northern Central Railway of York.

² NCRA's relief in this docket expired on September 4, 2023, but FRA is considering this extension request in the same docket for continuity purposes.

In support of its petition, NCRA states that locomotive 17 has had no instances of vandalism and operates at speed restrictions of 15 to 25 miles per hour.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

Communications received by July 17, 2025 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.
