

SUPPLEMENTARY INFORMATION:**I. Background**

The Federal Employees' Compensation Act (FECA) provides, under 5 U.S.C. 8124 and 8149, that a claimant receiving workers' compensation benefits over an extended period of time provide information concerning their employment earnings, dependents, third party settlements, other Federal benefits, and other benefits they are receiving to verify their entitlement to FECA benefits. The OWCP uses the response to determine whether the claimant is entitled to continue receiving benefits and whether the benefit amount should be adjusted. The collection is necessary to help verify that the beneficiary receives the correct compensation. Information requested on the CA-1032 is obtained from each claiming receiving continuing compensation on the periodic disability roll. The form requests information on the claimant's earnings, dependents, third party settlements, and other Federal benefits received.

Credit unions that provide periodic statements are required to include information about fees imposed, the annual

percentage yield earned during those statement periods, and other account terms. The requirements for creating and disseminating account disclosures, change in terms notices, term share renewal notices, statement disclosures, and advertising disclosures are necessary to implement TISA's purpose of providing the public with information that will permit informed comparisons of accounts at depository institutions.

Title: Prompt Corrective Action, 12 CFR 702 (Subparts A-D).

Abstract: Section 216 of the Federal Credit Union Act mandates prompt corrective action (PCA) requirements for federally insured credit unions (FICUs) that become less than well capitalized. Section 216 requires the NCUA Board to (1) adopt, by regulation, a system of prompt corrective action to restore the net worth of inadequately capitalized FICUs and (2) develop an alternative system of prompt corrective action for new credit unions that carries out the purpose of PCA while allowing an FICU reasonable time to build its net worth to an adequately capitalized level. The purpose of PCA is to resolve the problems of FICUs at the least possible long-term loss to the National Credit Union Share Insurance Fund (NCUSIF).

Affected Public: Private Sector: Not-for-profit institutions.

The information collection is intended to provide the public with loan data that can be used to help determine whether financial institutions are serving the housing needs of their communities; to assist public officials in distributing public-sector investments so as to attract private investment to areas where it is needed; and to assist in identifying possible discriminatory lending patterns and enforcing anti-discrimination statutes.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 108,175.

OMB Number: 3133-0167.

The application must include (1) a business plan, (2) written approval by the state supervisory agency if the applicant is a state-chartered credit union, and (3) documentation evidencing written permission from the host country to establish the branch that explicitly recognizes NCUA's authority to examine and take any enforcement actions, including conservatorship and liquidation actions.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 33.
