DEPARTMENT OF EDUCATION

Notice Inviting Proposals for Ownership and Operation of the Online English Literacy Portal, "U.S.A. Learns Web Portal"

AGENCY: Office of Vocational and Adult Education, Department of Education.

ACTION: Notice inviting proposals for ownership and operation of the Online English Literacy Portal, "U.S.A. Learns Web Portal."

SUMMARY: The President announced, as one of his initiatives to address border security and immigration challenges in the United States, a plan to have the U.S. Department of Education (Department) develop and launch a free, web-based portal to help immigrants learn English to help them expand their opportunities and make effective contributions to American society. To implement the President's plan, the Department's Office of Vocational and Adult Education (OVAE), as authorized by the Adult Education and Family Literacy Act and through a contract, has developed and created the U.S.A. Learns Web Portal, an online learning environment designed for limited English proficient (LEP) adults whose level of English proficiency is at a low level. The portal was launched on November 7, 2008, on the Internet and is available for use by the public at no cost. The portal is available at the following Web address: <http://www.usalearns.org>.

The Department plans to turn over ownership and operation of the portal to one or more entities outside of the Federal Government that would, with its or their own resources, continue the maintenance and upkeep of the portal, make improvements to it, and continue to make the portal available at no cost to the public. Through this notice, we are inviting proposals from entities interested in owning and operating the portal.

DATES: To ensure that your proposal receives consideration, it must be submitted to the Department no later than December 31, 2008. The Department would like to turn over ownership and operation of the portal by or about January 15, 2009.
