Information Collections; GSA 3729 Wireless Telecommunications Company Application

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The data collection previously approved under OMB Control Number 3090-0307, GSA 3729 Wireless Telecommunications Company Application (GSA 3729) is no longer active and has been removed from GSA's website. The SF-299, Application for Transportation and Utility Systems and Facilities on Federal Lands, will be modified to incorporate the information contained in the GSA 3729 and should be used in its current format, until the revised form is approved for use.

DATES: *Applicability Date:* This notice applies to all applications received after the date of this notice.

FOR FURTHER INFORMATION CONTACT: Mr. Chris Coneeney, Real Property Policy Division, GSA, by phone at 202-208-2956, or by email at chris.coneeney@gsa.gov. Please cite Notice of termination of GSA 3729 Wireless Telecommunications Company Application.

SUPPLEMENTARY INFORMATION: Federal agencies may no longer accept the GSA 3729 Wireless Telecommunications Company Application (GSA 3729), as the form expired on September 30, 2018. The SF-299 Application for Transportation and Utility Systems and Facilities on Federal Lands will be modified to include the information contained in the GSA 3729 and should be used in its current format to process any wireless telecommunications applications until the new form is approved for use. Agencies may continue to process the GSA 3729 application if it was received by the agency prior to the date of this notice.

Dated: June 3, 2019.

David A. Shive,

Chief Information Officer.

SUPPLEMENTARY INFORMATION:

A. Purpose

The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study.

This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance.

Such data uses require more rigorous designs that address: The target
