

Commission believes that NSCC's rule change is consistent with this obligation.

The rule change will permit NSCC to make certain enhancements to its ACAT Service that will afford members more specificity in the manner in which they accept, reject, or initiate transfers of customer account assets. These enhancements should improve the mechanism by which members transfer customer account assets and should improve the communication between members using the ACAT Service. Therefore, the Commission finds that the proposed rule change is consistent with NSCC's obligations to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions.

NSCC has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of the filing. The Commission finds good cause for so approving the proposed rule change because accelerated approval will permit NSCC to implement it and members and their customers to benefit from these enhancements to the ACAT Service as soon as possible.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing also will be available for inspection and copying at the principal office of NSCC. All submissions should refer to File No. SR-NSCC-00-11 and should be submitted by December 19, 2000.

It Is Therefore Ordered, pursuant to section 19(b)(2) of the Act, that the proposed rule change (File No. SR-

NSCC-00-11) be and hereby is approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁸
