SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Prepaid Health Plan Cost Report; *Use:* The Cost Report outlines the provisions for implementing Sections 1876(h) and 1833(a)(1)(A) of the Social Security Act (Act). Organizations contracting with the Secretary under the Act provide health services on a prepayment basis to enrolled members and are required to submit adequate cost and statistical data, based on financial records, in order to be reimbursed on reasonable cost basis by CMS. Organizations include Health Maintenance Organizations (HMOs) and Competitive Medical Plans (CMPs) under Section 1876, in addition to, Health Care Prepayment Plans (HCPPs) under Section 1833. These entities may be collectively referred to as "Managed Care Organizations" (MCOs).

Form CMS 276, provided by CMS as excel worksheets, covers the prescribed format for the cost reports. The worksheets are designed to be of sufficient flexibility to take into account the diversity of operations, yet provide the necessary cost and statistical information to enable CMS to determine the proper amount of payment to the Plan. Cost-based MCOs must submit through HPMS an annual Budget Forecast, semi-annual interim, and final cost report to CMS, all of which are included in this collection. Additionally, HMOs/CMPs are required to submit fourth quarter interim reports annually to CMS. Please note that HCPPs are not required to submit fourth quarter interim reports. *Form Number:* CMS-276 (OMB control number: 0938-0165); *Frequency:* Yearly, semi-annually, and once; *Affected Public:* Private sector; *Number of Respondents:* 16; *Number of Responses:* 36; *Total Annual Hours:* 1,128. (For questions regarding this collection contact Frank Cisar at 410-786-7553).

[Office of Management and Budget #: 0970-0576]

Submission for Office of Management and Budget Review; Evaluation of the Center for Legal and Judicial Innovation and Advancement (CLJIA) (Previously Evaluation of the Child Welfare Capacity Building Collaborative)

AGENCY: Children's Bureau, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: This collection relates to survey instruments to be administered in conjunction with technical assistance (TA) delivered to legal and judicial staff who participate in strategic planning workshops and attorneys and judicial trainings with a Children's Bureau (CB) TA provider. This is a revision and extension to Office of Management and Budget (OMB) #0970-0576 to remove instruments that are no longer in use, revise the title of the collection, and to revise the name of the TA provider in the instruments still in use.

DATES: *Comments due July 14, 2025.* OMB must decide about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This is a revision to what was originally related to a larger project, the Evaluation of the Child Welfare Capacity Building Collaborative, focused on studying outcomes of TA to child welfare agencies and courts, for both states and tribes. This request will remove most of the prior instruments

approved for this project under OMB #: 0970–0576. The larger project was successful in getting information about the broad array of TA. It also showed therein that there was more variation among the professional audiences being served than anticipated and thus CB had opted to pursue evaluation individually by Center going forward. There were larger scope and approach changes for the other prior Centers and those

evaluations will need to be separately revisited.

Three instruments will continue to be used. These are used with legal and judicial participants in TA. Data collected through these three instruments has and will continue to be used by the CLJIA and CB to improve the development and delivery of CLJIA services, specifically the Academies and Workshops, and assess the quality, satisfaction with services, and impact

on their intended outcomes, including increased knowledge and skills. Data collection includes online and paper-based surveys and assessments administered to participants in Academies and Workshops.

There are no significant changes to the instruments. The name of the TA provider was changed and that has been updated.

Respondents: Child welfare and court professionals.

[OMB #0970–0106]

Proposed Information Collection Activity; Low Income Home Energy Assistance Program Carryover and Reallotment Report

AGENCY: Office of Community Services, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) is requesting from Office of Management and Budget (OMB) a reinstatement of approval with changes to the Low Income Home Energy Assistance Program (LIHEAP) Carryover and Reallotment Report (OMB #0970–0106,

discontinued June 2025). Minor changes are proposed to break out awards into three sources and incorporate numbering and wording updates.

DATES: *Comments due August 12, 2025.* In compliance with the requirements of the Paperwork Reduction Act (PRA) of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above. **ADDRESSES:** You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The LIHEAP statute and regulations require LIHEAP grant recipients to report certain information to the U.S. Department of Health and Human Services (HHS) concerning funds forwarded and funds subject to reallotment. The 1994 reauthorization of the LIHEAP statute, the Human Service Amendments of 1994 (Pub. L. 103–252), requires that the Carryover and Reallotment Report for one fiscal year (FY) be submitted to HHS by the grant recipient before the allotment for the next FY may be awarded.

In compliance with PRA, ACF discontinued the OMB number in June 2025, prior to the expiration date, to

allow for public comment on the extension and revision request prior to OMB review.

ACF is requesting minor changes in the program's Carryover and Reallotment Report, a form for the collection of data, and the Instructions for Timely Obligation of LIHEAP Regular Block Grant, Reallotted, and Supplemental Funds and Reporting Funds for Carryover and Reallotment. The form clarifies the information being requested and ensures the submission of all the required information. The form facilitates our response to numerous queries each year concerning the amounts of obligated funds. Use of the form is mandatory for prior-year grant recipients that seek current-year LIHEAP funds except for (1) territorial grant recipients that consolidate their LIHEAP programs with the Social Services Block Grant under Public Law 95–134; and (2) tribal grant recipients that have integrated their LIHEAP programs under Public Law 102–477 for administration through the Bureau of Indian Affairs and that draw down funds solely during the integration period.

Respondents: State governments, tribal governments, territories, and the District of Columbia.
