

subparagraph (f)(2) of Rule 19b-4¹⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95477; File No. SR-NYSECHX-2022-19]

Self-Regulatory Organizations; NYSE Chicago, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize Rules 10.9261 and 10.9830 With Recent Changes by the Financial Industry Regulatory Authority, Inc.

August 11, 2022.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on July 29, 2022, the NYSE Chicago, Inc. ("NYSE Chicago" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to harmonize Rules 10.9261 and 10.9830 with recent changes by the Financial Industry Regulatory Authority, Inc. ("FINRA")

that temporarily grants the Chief or Deputy Chief Hearing Officer the authority to order that hearings be conducted by video conference if warranted by public health risks posed by in-person hearings during the ongoing novel coronavirus ("COVID-19") pandemic. As proposed, these temporary amendments would be in effect through October 31, 2022. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to harmonize Rules 10.9261 (Evidence and Procedure in Hearing) and 10.9830 (Hearing) with recent changes by FINRA to its Rules 9261 and 9830 that temporarily grants to the Chief or Deputy Chief Hearing Officer the authority to order that hearings be conducted by video conference if warranted by public health risks posed by in-person hearings during the ongoing COVID-19 pandemic. As proposed, these temporary amendments would be in effect through October 31, 2022.⁴

Background

In 2022, NYSE Chicago adopted disciplinary rules that are, with certain exceptions, substantially the same as the disciplinary rules of its affiliate NYSE Arca, Inc., which are in turn substantially similar to the FINRA Rule

⁴ The Exchange may submit a separate rule filing to extend the expiration date of the proposed temporary amendments if the Exchange requires temporary relief from the rule requirements identified in this proposal beyond October 31, 2022. The amended NYSE Chicago rules will revert back to their original [current] [sic] state at the conclusion of the temporary relief period and any extension thereof.

8000 Series and Rule 9000 Series, and which set forth rules for conducting investigations and enforcement actions.⁵

In adopting disciplinary rules modeled on FINRA's rules, NYSE Chicago adopted the hearing and evidentiary processes set forth in Rule 10.9261 and in Rule 10.9830 for hearings in matters involving temporary and permanent cease and desist orders under the Rule 9800 Series. As adopted, the text of Rule 10.9261 and Rule 10.9830 are substantially the same as the FINRA rules with certain modifications.⁶

In 2020, in view of the ongoing spread of COVID-19 and its effect on FINRA's adjudicatory functions nationwide, FINRA filed a temporary rule change to grant FINRA's Office of Hearing Officers ("OHO") and the National Adjudicatory Council ("NAC") the authority to conduct certain hearings by video conference, if warranted by the current COVID-19-related public health risks posed by in-person hearings. Among the rules FINRA amended were Rules 9261 and 9830.⁷

FINRA represented in its filing that its protocol for conducting hearings by video conference would ensure that such hearings maintain fair process for the parties by, among other things, FINRA's use of a high quality, secure and user-friendly video conferencing service and provide thorough instructions, training and technical support to all hearing participants.⁸ According to FINRA, the proposed changes were a reasonable interim solution to allow FINRA's critical

adjudicatory processes to continue to function while protecting the health and safety of hearing participants as FINRA works towards resuming in-person hearings in a manner that is compliant with the current guidance of public health authorities.⁹

Since the Initial FINRA Filing (in 2020), FINRA periodically extended the temporary relief as the COVID-19 pandemic and concerns surrounding its spread persisted.¹⁰ According to FINRA, even though it has been more than two years since the World Health Organization declared COVID-19 a pandemic, uncertainty still remains around this disease. The continued presence of COVID-19 variants including the quickly emerging Omicron BA.4 and BA.5 subvariants, dissimilar vaccination rates throughout the United States, and the current medium to high COVID-19 community levels in many states indicate that COVID-19 remains an active and real public health concern.¹¹

Due to the uncertainty and the lack of a clear timeframe for a sustained and widespread abatement of COVID-19-related health concerns and corresponding restrictions,¹² FINRA believes that there is a continued need for temporary relief beyond its most recent extension until July 31, 2022.¹³ On July 8, 2022, FINRA accordingly

filed to extend the expiration date of the temporary rule amendments to, among other rules, FINRA Rule 9261 and 9830 from July 31, 2022, to October 31, 2022.¹⁴

Pursuant to a regulatory services agreement ("RSA"), FINRA's Office of Hearing Officers will administer all aspects of adjudications, including assigning hearing officers to serve as NYSE Chicago hearing officers. A hearing officer from OHO will, among other things, preside over the disciplinary hearing, select and chair the hearing panel, and prepare and issue written decisions. The Chief or Deputy Hearing Officer for all Exchange disciplinary hearings are currently drawn from OHO and are all FINRA employees. The Exchange believes that OHO will utilize the same video conference protocol and processes for Exchange matters under the RSA as it proposes for FINRA matters.

Given that FINRA and its Office of Hearing Officers administers disciplinary hearings on the Exchange's behalf, and given that the public health concerns addressed by FINRA's amendments apply equally to the Exchange's disciplinary hearings, the Exchange proposes to temporarily amend its disciplinary rules to allow FINRA to conduct virtual hearings on its behalf.

Proposed Rule Change

Rule 10.9261(b) states that if a disciplinary hearing is held, a party shall be entitled to be heard in-person, by counsel, or by the party's representative. Absent an agreement by all parties to proceed in another manner, an Exchange disciplinary hearings are in-person. As noted, the Chief and Deputy Hearing Officers for all Exchange and cross-market matters are supplied by OHO and are FINRA employees. Accordingly, absent an agreement by all parties to proceed in another manner, under Rule 10.9261(b) the Chief or Deputy Hearing Officer conducts disciplinary hearings in-person.

Similarly, Rule 10.9830 outlines the requirements for hearings for temporary and permanent cease and desist orders. Rule 10.9830(a), however, does not specify that a party shall be entitled to be heard in-person, by counsel, or by the party's representative.

Consistent with FINRA's temporary amendment to FINRA Rules 9261 and 9830, the Exchange proposes to temporarily grant the Chief or Deputy Chief Hearing Officer temporary authority to order, upon consideration

FINRA also proposed to temporarily amend FINRA Rules 1015 and 9524. FINRA Rule 1015 governs the process by which an applicant for new or continuing membership can appeal a decision rendered by FINRA's Department of Member Supervision under FINRA Rule 1014 or 1017 and request a hearing which would be conducted by a subcommittee of the NAC. See *id.* at 55714. The Exchange has not adopted FINRA Rule 1015. FINRA Rule 9524 governs the process by which a statutorily disqualified member firm or associated person can appeal the Department's recommendation to deny a firm or sponsoring firm's application to the NAC. See *id.* Under the Exchange's version of Rule 10.9524, if the CRO rejects the application, the ETP Holder or applicant may request a review by the Exchange Board of Directors. This differs from FINRA's process, which provides for a hearing before the NAC and further consideration by the FINRA Board of Directors.

¹¹ See Securities Exchange Act Release No. 95281 (July 14, 2022), 87 FR 43335 (July 20, 2022) (SR-FINRA-2022-018) ("SR-FINRA-2022-018"). FINRA noted that, for example, there has been a notable upward trend in the number of daily COVID-19 cases in the United States since April 1, 2022. See https://covid.cdc.gov/covid-data-tracker/#trends_dailycases. In addition, on June 9, 2022, the Biden Administration announced its operational plan for COVID-19 vaccinations for children under the age of five. See <https://www.whitehouse.gov/briefing-room/statements-releases/2022/06/09/fact-sheet-biden-administration-announces-operational-plan-for-covid-19-vaccinations-for-children-under-5/>. See SR-FINRA-2022-018, 87 FR at 43335, n. 6.

¹² For instance, FINRA noted that the Centers for Disease Control and Prevention ("CDC") recommends that people wear a mask in public indoor settings in areas with a high COVID-19 community level regardless of vaccination status or individual risk. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>. The CDC also recommends that people wear a mask in indoor areas of public transportation and transportation hubs to protect themselves and those around them and help keep travel and public transportation safer for everyone. See <https://www.cdc.gov/coronavirus/2019-ncov/travelers/masks-public-transportation.html>. Furthermore, numerous states currently have mask mandates in certain settings, such as healthcare and correctional facilities. See SR-FINRA-2022-018, 87 FR at 43335, n. 7.

of the current COVID-19-related public health risks presented by an in-person hearing, that a hearing under those rules be conducted by video conference. The proposed change will permit OHO to make an assessment, based on critical COVID-19 data and criteria and the guidance of health and security consultants, whether an in-person hearing would compromise the health and safety of the hearing participants such that the hearing should proceed by video conference. As noted, FINRA has adopted a detailed and thorough protocol to ensure that hearings conducted by video conference will maintain fair process for the parties.¹⁵ The Exchange believes that this is a reasonable procedure to follow in hearings under Rules 10.9261 and 10.9830 chaired by a FINRA employee.¹⁶

To effectuate these changes, the Exchange proposes to add the following sentence to Rule 10.9261(b):

Upon consideration of the current public health risks presented by an in-person hearing, the Chief Hearing Officer or Deputy Chief Hearing Officer may, on a temporary basis, determine that the hearing shall be conducted, in whole or in part, by video conference.

The proposed text is identical to the language adopted by FINRA.¹⁷

Similarly, the Exchange proposes to add the following text to Rule 10.9830(a):

Upon consideration of the current public health risks presented by an in-person hearing, the Chief Hearing Officer or Deputy Chief Hearing Officer may, on a temporary basis, determine that the hearing shall be conducted, in whole or in part, by video conference.

Once again, the proposed language is identical to the language adopted by FINRA.¹⁸

Consistent with FINRA's most recent filing, the Exchange proposes that these temporary amendments would be in effect through October 31, 2022.¹⁹

As noted below, the Exchange has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule

change not become operative for 30 days after the date of the filing, so the Exchange can implement the proposed rule change immediately.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,²⁰ in general, and furthers the objectives of Section 6(b)(5),²¹ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is designed to provide a fair procedure for the disciplining of members and persons associated with members, consistent with Sections 6(b)(7) and 6(d) of the Act.²²

The Exchange believes that the proposed rule change support the objectives of the Act by providing greater harmonization between Exchange rules and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance. As previously noted, the text of Rule 10.9261 and Rule 10.9830 is substantially the same as FINRA's rule. As such, the proposed rule change will foster cooperation and coordination with persons engaged in facilitating transactions in securities and will remove impediments to and perfect the mechanism of a free and open market and a national market system.

The Exchange believes that the proposed temporary rule change will permit the Exchange to effectively conduct hearings during the COVID-19 pandemic in situations where in-person hearings present likely public health risks. Given the current and frequently changing COVID-19 conditions and the uncertainty around when those conditions will see meaningful, widespread and sustained improvement, without this relief allowing OHO to proceed by video conference, some or all hearings may have to be postponed.

The ability to conduct hearings by video conference will thereby permit the adjudicatory functions of the Exchange's disciplinary rules to continue unabated, thereby avoiding

protracted delays. The Exchange believes that this is especially important in matters where temporary and permanent cease and desist orders are sought because the proposed rule change would enable those hearings to proceed without delay, thereby enabling the Exchange to take immediate action to stop significant, ongoing customer harm, to the benefit of the investing public.

Conducting hearings via video conference will give the parties and adjudicators simultaneous visual and oral communication without the risks inherent in physical proximity during a pandemic. Temporarily permitting hearings for disciplinary matters to proceed by video conference maintains fair process by providing respondents a timely opportunity to address and potentially resolve any allegations of misconduct.

As noted, FINRA will use a high quality, secure video conferencing technology with features that will allow the parties to reasonably approximate those tasks that are typically performed at an in-person hearing, such as sharing documents, marking documents, and utilizing breakout rooms. FINRA will also provide training for participants on how to use the video conferencing platform and detailed guidance on the procedures that will govern such hearings. Moreover, the Chief or Deputy Chief Hearing Officer may take into consideration, among other things, a hearing participant's access to connectivity and technology in scheduling a video conference hearing and can also, at their discretion, allow a party or witness to participate by telephone, if necessary, to address such access issues.²³

The Exchange believes that the temporary relief to permit hearings to be conducted via video conference maintains fair process and will continue to provide fair process consistent with Sections 6(b)(7) and 6(d) of the Act²⁴ while striking an appropriate balance between providing fair process and enabling the Exchange to fulfill its statutory obligations to protect investors and maintain fair and orderly markets while avoiding the COVID-19-related public health risks for hearing participants. The Exchange notes that this proposal provides only temporary relief, which would be in place through October 31, 2022. As noted in herein (*see supra* note 4), the amended rules will revert back to their original state at the conclusion of the temporary relief

¹⁵ See Initial FINRA Filing, 85 FR at 55713.

¹⁶ The Exchange notes, as did FINRA, that SEC's Rules of Practice pertaining to temporary cease-and-desist orders provide that parties and witnesses may participate by telephone or, in the Commission's discretion, through the use of alternative technologies that allow remote access, such as a video link. See SEC Rule of Practice 511(d)(3); Comment (d); *see* Initial FINRA Filing, 85 FR at 55714, n. 21.

period and, if applicable, any extension thereof.

Accordingly, the proposed rule change extending this temporary relief is in the public interest and consistent with the Act's purpose.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed temporary rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but is rather intended solely to provide temporary relief given the impacts of the COVID-19 pandemic and the related health and safety risks of conducting in-person activities. In the Initial FINRA Filing, FINRA provides an abbreviated economic impact assessment maintaining that the changes are necessary to temporarily rebalance the attendant benefits and costs of the obligations under FINRA Rules 1015, 9261, 9524 and 9830 in response to the impacts of the COVID-19 pandemic that is equally applicable to the changes the Exchange proposes.²⁵ The Exchange accordingly incorporates FINRA's abbreviated economic impact assessment by reference. The Exchange believes that the proposed rule change will prevent unnecessary impediments to critical adjudicatory processes and its ability to fulfill its statutory obligations to protect investors and maintain fair and orderly markets that would otherwise result if the temporary amendments were not in place.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act²⁶ and Rule 19b-4(f)(6) thereunder.²⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)²⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has indicated that the proposal would provide greater harmonization between Exchange rules and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance at a time when the health risks of in-person hearings are significant. The Exchange also states that the temporary relief provided in this proposal immediately upon filing and without a 30-day operative delay will allow the Exchange to continue critical adjudicatory and review processes so that the Exchange may continue to operate effectively and meet its critical investor protection goals, while also protecting the health and safety of hearing participants.³⁰ As proposed, the temporary changes would be in place through October 31, 2022 and the amended rules will revert back to their original state at the conclusion of the temporary relief period and, if applicable, any extension thereof.³¹ For these reasons, the Commission believes that waiver of the 30-day operative delay for this proposal is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.³²

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)³³ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

1. The National Beneficiary Survey (NBS)—0960-NEW

Background

SSA's Social Security Disability Insurance (SSDI) and SSI programs provide a crucial and necessary income for people with disabilities. By improving employment outcomes for SSDI beneficiaries and SSI recipients, SSA supports the effort to reduce the reliance of people with disabilities on these programs. SSA previously conducted seven rounds of the National Beneficiary Survey (NBS) in 2004, 2005, 2006, 2010, 2015, 2017, and 2019. Conducting the prior rounds of the NBS provided SSA with an important understanding of the work interests and experiences of SSI recipients and SSDI beneficiaries, and helped SSA gain information about their impairments; health; living arrangements; family structure; pre-disability occupation; and use of non-SSA programs (e.g., the Supplemental Nutrition Assistance Program). The prior rounds of NBS data are available to researchers and the public. SSA contracted with Mathematica to conduct the NBS data collection.

NBS Project Description

The primary purpose of the new NBS is to: (1) assess beneficiary well-being and interest in work; (2) learn about beneficiary work experiences (successful and unsuccessful); and (3) identify factors that promote or restrict long-term work success. As with the previous NBS rounds, the current NBS will collect information on factors such as health; living arrangements; family structure; current occupation; use of non-SSA programs; knowledge of SSDI and SSI work incentive programs; obstacles to work; and beneficiary interest and motivation to return to work.

SSA is requesting approval to administer Round 8 of the NBS in 2023. The information we will collect is not

something we could obtain from SSA administrative data or other sources. In the Round 8 NBS, the sample design is similar to the ones we used for the prior NBS. The sample includes the nationally representative beneficiary samples (RBS) of adult SSDI and SSI disability program participants, as well as the successful worker sample (SWS) which includes beneficiaries who worked above the substantial gainful activity for at least three consecutive months during the six months preceding their NBS interview. SSA plans to complete 8,000 interviews: 5,000 from a cross-sectional sample of active beneficiaries (SSI and SSDI) and 3,000 from a successful worker sample, and will conduct the survey interviews primarily by telephone. We will send a letter in advance informing the beneficiary that an interviewer will contact them to conduct, or schedule a date and time for the survey. The beneficiary can also contact the 800 number we provide in the sample letter to schedule the interview or take the survey with an interviewer. We will send follow-up letters and postcards reminding the beneficiary to contact us, if they have not already done so, and we will also send postcard messages about establishing the best time for the beneficiary to take the survey.

In addition to the Round 8 NBS, we propose to conduct an experimental web and a paper-based data collection effort to test if these modes are feasible methods to collect data from nonrespondents. SSA will conduct this experiment during the administration of the Round 8 NBS, and we will include a shorter version of the instrument for web and paper administration designed to collect critical data from nonrespondents to the telephone interview modality. We will mail the abbreviated experimental paper version survey to the beneficiaries to complete and send back to Mathematica.

We will pull the sample for the experimental web and paper administration of the NBS from Round 8 SWS nonrespondents. Respondent participation in the NBS is voluntary and the decision to participate has no impact on current or future receipt of payments or benefits. Respondents are current SSDI beneficiaries and SSI recipients.

Type of Request: Request for a new information collection.
