MILLENNIUM CHALLENGE CORPORATION

[MCC FR 04-13]

Report on the Selection of Eligible Countries for FY 2005

AGENCY: Millennium Challenge Corporation.

SUMMARY: Section 608(d) of the Millennium Challenge Act of 2003, Pub. L. 108-199 (Division D) requires the Millennium Challenge Corporation to publish a report that lists the countries determined by the Board of Directors of the Corporation to be eligible for assistance for Fiscal Year 2005. The Report is set forth below.

Report: Report on the Selection of Eligible Countries for FY 2005.

Summary

This report is provided in accordance with Section 608(d) of the Millennium

Challenge Act of 2003, 22 U.S.C.A. 7707(d) (the "Act").

The Act authorizes the provision of Millennium Challenge Account ("MCA") assistance under section 605 of the Act to countries that enter into compacts with the United States to support policies and programs that advance the prospects of such countries to achieve lasting poverty reduction and economic growth. The Act requires the Millennium Challenge Corporation ("MCC") to take a number of steps to determine the countries that, based on their demonstrated commitment to just and democratic governance, economic freedom and investing in their people, will be eligible to receive MCA assistance during a fiscal year. These steps include the submission of reports to appropriate congressional committees and the publication of notices in the **Federal Register** that identify:

1. The "candidate countries" for MCA assistance in a fiscal year (Section 608(a) of the Act);

2. The eligibility criteria and methodology that the MCC Board of Directors (the "Board") will use to select "eligible countries" from among the "candidate countries" (Section 608(b) of the Act); and

3. The countries determined by the Board to be "eligible countries" for a fiscal year, the countries on the list of eligible countries with which the Board will seek to enter into MCA "Compacts" and a justification for such decisions (Section 608(d) of the Act).

This is the third of the above-described reports for FY 2005. It identifies countries determined by the Board to be eligible for MCA assistance in FY 2005 under section 605 of the Act and those that the Board will seek to enter into MCA Compacts under section 609 of the Act, and the justification for such decisions.

Eligible Countries

The MCC Board of Directors met on November 8, 2004, to select countries that will be eligible for FY 2005 MCA assistance under section 605 of the Act and will be invited to submit proposals for such assistance. The Board determined the following countries eligible for FY 2005 assistance: Armenia, Benin, Bolivia, Georgia, Ghana, Honduras, Lesotho, Madagascar, Mali, Mongolia, Morocco, Mozambique, Nicaragua, Senegal, Sri Lanka, and Vanuatu.

In accordance with the Act and with MCC's "Criteria and Methodology for Determining the Eligibility of Candidate Countries for Millennium Challenge Account Assistance in FY 2005," submitted to the Congress on August 31,
