

Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

All submissions should refer to File Number SR-NYSEArca-2007-08 and should be submitted on or before February 27, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority:²²

Florence E. Harmon,

Deputy Secretary.

SMALL BUSINESS ADMINISTRATION

Public Federal Regulatory Enforcement Fairness Hearing; Region VI Regulatory Fairness Board

The U.S. Small Business Administration (SBA) Region VI Regulatory Fairness Board and the SBA Office of the National Ombudsman will hold a public hearing on Friday, February 23, 2007, at 10 a.m. The meeting will take place at the State Capitol, Blue Room, NE 23rd & Lincoln Boulevard, Oklahoma City, OK 73105. The purpose of the meeting is to receive comments and testimony from small business owners, small government entities, and small non-profit organizations concerning regulatory enforcement and compliance actions taken by Federal agencies.

Anyone wishing to attend or to make a presentation must contact Darla Booker, in writing or by fax, in order to be placed on the agenda. Darla Booker,

Public Information Officer, SBA, Oklahoma District Office, 301 NW 6th Street, Suite 116, Oklahoma City, OK 73102, phone (405) 609-8012 and fax (202) 401-0944, e-mail: Darla.booker@sba.gov.

For more information, see our Web site at www.sba.gov/ombudsman.

Matthew Teague,

Committee Management Officer.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Noise Exposure Map Notice: Receipt of Noise Compatibility Program and Request for Review

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by Columbus Regional Airport Authority for Rickenbacker International Airport under the provisions of 49 U.S.C. 47501 et. seq. (Aviation Safety and Noise Abatement Act) and 14 CFR Part 150 are in compliance with applicable requirements. The FAA also announces that it is reviewing a proposed noise compatibility program that was submitted for Rickenbacker International Airport under Part 150 in conjunction with the noise exposure map, and that this program will be approved or disapproved on or before July 23, 2007.

EFFECTIVE DATE: The effective date of the FAA's determination on the noise exposure maps and of the start of its review of the associated noise compatibility program is January 25, 2007. The public comment period ends March 25, 2007.

FOR FURTHER INFORMATION CONTACT: Ms. Katherine S. Jones, Federal Aviation Administration, Detroit Airports District Office, 11677 South Wayne Road, Suite 107, Romulus, Michigan, phone number (734) 229-2958. Comments on the proposed noise compatibility program should also be submitted to the above office.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA finds that the noise exposure maps submitted for Rickenbacker International Airport are in compliance with applicable requirements of Part 150, effective January 25, 2007. Further, FAA is

reviewing a proposed noise compatibility program for that airport which will be approved or disapproved on or before July 23, 2007. This notice also announces the availability of this program for public review and comment.

Under 49 U.S.C., section 47503 (the Aviation Safety and Noise Abatement Act, hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport.

An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing non-compatible uses and prevent the introduction of additional non-compatible uses.

Columbus Regional Airport Authority submitted to the FAA on December 21, 2006 noise exposure maps, descriptions and other documentation that were produced during the Rickenbacker International Airport FAR Part 150 Noise Compatibility Program Update, December 2006. It was requested that the FAA review this material as the noise exposure maps, as described in section 47503 of the Act, and that the noise mitigation measures, to be implemented jointly by the airport and surrounding communities, be approved as a noise compatibility program under section 47504 of the Act.

The FAA has completed its review of the noise exposure maps and related descriptions submitted by Columbus Regional Airport Authority. The specific documentation determined to constitute the noise exposure maps includes: Existing (2006) Noise Exposure Map (NEM), Future (2011) NEM with Noise Compatibility Program (NCP), FAR Part 150 Noise Compatibility Program Update contains the required information for Section 47503 and section A150.101 including the following specific references: Current and forecast operations in Appendix J, Table 8; fleet mix and nighttime operations in Appendix J-Table 8,

²² 17 CFR 200.30-3(a)(12).

Appendix C—Tables C-6, C-7, C-8, and C-9; flight patterns in Appendix C—Exhibits C-5, C-6, C-7, C-8, and C-9, and land use in Exhibit 2-3. The FAA has determined that these maps for Rickenbacker International Airport are in compliance with applicable requirements. This determination is effective on January 25, 2007. FAA's determination on an airport operator's noise exposure maps is limited to a finding that the maps were developed in accordance with the procedures contained in appendix A of FAR Part 150. Such determination does not constitute approval of the applicant's data, information or plans, or constitute a commitment to approve a noise compatibility program or to fund the implementation of that program.

If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47506 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under Part 150 or through FAA's review of noise exposure maps. Therefore, the responsibility for the detailed overlying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator that submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of FAR Part 150, that the statutorily required consultation has been accomplished.

The FAA has formally received the noise compatibility program for Rickenbacker International Airport, also effective on January 25, 2007. Preliminary review of the submitted material indicates that it conforms to the requirements for the submittal of noise compatibility programs, but that further review will be necessary prior to approval or disapproval of the program. The formal review period, limited by law to a maximum of 180 days, will be completed on or before July 23, 2007.

The FAA's detailed evaluation will be conducted under the provisions of 14

CFR Part 150, section 150.33. The primary considerations in the evaluation process are whether the proposed measures may reduce the level of aviation safety, create an undue burden on interstate or foreign commerce, or be reasonably consistent with obtaining the goal of reducing existing non-compatible land uses and preventing the introduction of additional non-compatible land uses.

Interested persons are invited to comment on the proposed program with specific reference to these factors. All comments, other than those properly addressed to local land use authorities, will be considered by the FAA to the extent practicable. Copies of the noise exposure maps, the FAA's evaluation of the maps, and the proposed noise compatibility program are available for examination at the following locations:

Federal Aviation Administration
Detroit Airports District Office, 11677 South Wayne, Road, Suite 107, Romulus, Michigan 48174.

Rickenbacker International Airport, 7161 Second Street, Columbus, Ohio 43217.

Columbus Regional Airport Authority, Port Columbus International Airport, 4400 International Gateway, Columbus, Ohio 43219.

Questions may be directed to the individual named above under the heading, **FOR FURTHER INFORMATION CONTACT**.

Issued in Romulus, Michigan, January 25, 2007.

Irene R. Porter,
Manager, Detroit Airports District Office,
Great Lakes Region.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of Opportunity for Public Comment on Property Release at Auburn-Opelika Airport, Auburn, AL

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent to rule on land release request.

SUMMARY: Under the provisions of Title 49, U.S.C. Section 47153(c), notice is being given that the FAA is considering a request from Auburn University to waive the requirement that a 3.6-acre parcel of surplus property, located at the Auburn-Opelika Airport, be used for aeronautical purposes.

DATES: Comments must be received on or before March 8, 2007.

ADDRESSES: Comments on this notice may be mailed or delivered in triplicate to the FAA at the following address: Jackson Airports District Office, 100 West Cross Street, Suite B, Jackson, MS 39208-2307.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Auburn University, at the following address: Mr. William T. Hutto, Jr., Executive Director, Auburn University Aviation, 700 Airport Road, Auburn, AL 36830.

FOR FURTHER INFORMATION CONTACT: Keafur Grimes, Program Manager, Jackson Airports District Office, 100 West Cross Street, Suite B, Jackson, MS 39208-2307, (601) 664-9886. The land release request may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA is reviewing a request by Auburn University to release 3.6 acres of surplus property at the Auburn-Opelika Airport. The property will be swapped for a 3.542-acre parcel that is needed for aeronautical purposes. The appraised values of both properties are the same.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Auburn-Opelika Airport.

Dated: Issued in Jackson, Mississippi on January 26, 2007.

Rans D. Black,
Manager, Jackson Airports District Office,
Southern Region.
