BILLING CODE P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Community Services Block Grant (CSBG) Model State Plan Applications (Office of Management and Budget No. 0970-0382)

AGENCY: Office of Community Services, Administration for Children and

Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Community Services (OCS), Administration for Children and Families (ACF) requests a 3-year extension of the Community Services Block Grant (CSBG) State Plan, CSBG Eligible Entity Master List, and the American Customer Survey Index (ACSI) forms (OMB #0970-0382, expiration 8/31/2024). There are no changes requested to these information collections.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Section 676 of the CSBG Act requires states, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories applying for CSBG funds to submit an application and plan (CSBG State Plan). The CSBG State Plan must meet statutory requirements prior to OCS awarding CSBG grant recipients (states and territories) with CSBG funds. Grant recipients have the option to submit a detailed plan annually or biannually. Grant recipients that submit a biannual plan must provide an abbreviated plan the following year if substantial changes to the initial plan will occur. OCS is not requesting any changes to this form. As this will be the 11th year of submitting this form, OCS

does not anticipate any additional burden.

OCS is also requesting to extend approval of the following information collections, with no changes proposed:

- *CSBG Eligible Entity List.* In alignment with Federal requirements, OCS requests that all grant recipients continue to keep their CSBG Eligible Entity List current, to include maintaining an accurate listing of the CSBG sub-grant recipients (CSBG eligible entities) and current Unique Entity Identifier (UEI) for each recipient listed. This is in alignment with current policies and processes, and therefore OCS does not anticipate any additional burden.

- *Optional survey for the sub-grant recipients (or CSBG-eligible entities).* The American Customer Survey Index (ACSI) is administered biennially. OCS uses the ACSI survey for eligible entities as part of the CSBG performance management framework. The survey focuses on the customer service that the CSBG sub-grant recipients receive from the CSBG grant recipients. The survey is optional, and this will be the seventh time that CSBG sub-grant recipients have the option to complete the survey. There were no revisions to the survey.

OCS anticipates submitting a subsequent revision to this information collection, pending OMB review and approval of a separate but related information collection request (CSBG Annual Report, OMB No. 0970-0492) that is scheduled to publish on April 22, 2024 (see <https://www.federalregister.gov/d/2024-08549>) and may result in minor updates to some of these materials.

Respondents: State governments, including the District of Columbia and the Commonwealth of Puerto Rico and U.S. territories, and local level sub-grant recipients.

Comments: The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget (OMB) Review; Refugee Data Submission System for Formula Funds Allocations and Service Analysis (ORR-5) (OMB #0970-0043)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for children and Families (ACF), U.S. Department of Health and Human Services (HHS), seeks an update to the existing data collection for the form ORR-5: Refugee Data Submission System for Formula Funds Allocations and Service Analysis (OMB#: 0970-0043, expiration 4/30/2024) and requests an extension of approval for three years. Minor changes to the form ORR-5 are as proposed in the description section. Since the previous comment period, there are additional minor proposed edits: an additional data element to clarify whether the initial client assessment was completed and a change to spacing in headers to improve data processing. ACF estimates the proposed changes will not increase response burden.

DATES: Comments due within 30 days of publication. OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the Federal Register. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed

requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The ORR-5 is designed to satisfy the statutory requirements of the Immigration and Nationality Act (INA). Section 412(a)(3) of INA (8 U.S.C. 1522(a)(3)) requires that the Director of ORR make a periodic assessment of the needs of refugees for assistance and services and the resources available to meet those needs. ORR proposes an extension with minor changes to the current form to ensure continuous information collection, enabling the ORR Director to better understand client demographics, services utilized, and the outcomes achieved by clients enrolled in certain ORR-funded programs. Data elements continue to include ORR program entrance and exit dates, biographical information, referrals for services, progress made toward achieving self-sufficiency, and employment status. During the 60-day comment period (88 FR 84145) ORR received comments regarding the proposed addition of two data elements. ORR has decided to delay the addition of client email address and phone number due to recent and rapid changes to the national interagency refugee landscape and the current operational capacity of ORR-funded service providers. Since the 60-day comment period, a data element has been added to indicate whether the initial client assessment was completed and a change to spacing in headers was made to improve data processing. The data collected will inform evidence-based policy making and program design.

Respondents: States, Replacement Designees, and the District of Columbia.

ANNUAL BURDEN ESTIMATES

Table with 5 columns: Instrument, Total number of respondents, Annual number of responses per respondent, Average burden hours per response, Annual burden hours. Row 1: Refugee Data Submission for Formula Funds Allocations and Service Analysis (ORR-5) with values 50, 1, 140, 7,000.

Authority: 8 U.S.C. 412(a)(3).
