

C-V2X OBU AND RSU OPERATIONS UNDER C-V2X JOINT WAIVER REQUEST

Frequency range	Channel bandwidth	OBU transmitter output power/EIRP * limits	RSU EIRP limit	RSU antenna center line height above roadway bed surface
5905–5925 MHz	20 MHz	20 dBm/33 dBm	33 dBm	For heights of 8 meters or less. Or in the alternative, the RSU EIRP is reduced by a factor of $20 \times \log(\text{height}/8)$ for heights 15 meters or less (but greater than 8 meters).

* EIRP (equivalent isotropically radiated power).

C-V2X JOINT WAIVER REQUEST OUT-OF-BAND EMISSIONS (OOBE) LIMITS

Frequency offset (MHz from channel edge)	OOBE power spectral density offset relative to 33 dBm/20 MHz (or 10 dBm/100 MHz)	OOBE power spectral density for C-V2X transmissions (dBm/100 kHz)
0.0	–26.0	–16.0
1.0	–32.0	–22.0
10.0	–40.0	–30.0
20.0	–50.0	–40.0

In their filings, the C-V2X Joint Waiver Parties provide additional discussion and explanation, asserting that the public interest would be served if the Commission were to permit C-V2X operations pending adoption of final C-V2X-based rules, and that these materials provide sufficient support for the Commission to grant waiver(s) of its rules to the extent necessary to permit the proposed C-V2X operations.¹⁸ They contend that their proposed technical parameters for C-V2X operations are generally consistent with DSRC parameters and unlikely to raise interference concerns to existing licensed services in the band.¹⁹ They also agree, as a condition of any waiver grant, they would be obligated to comply with any final rules that the Commission adopts for C-V2X operations.²⁰

Public Comment on Waiver. Prior to evaluating the merits of the *Joint C-V2X Waiver Request*, and in order to assist in assessing the request, the Bureaus seek comment on this waiver request, including whether the request contains sufficient information for the Commission to grant their request or whether additional modifications or clarifications would be appropriate.

Procedural Matters

To develop a complete record on the issues presented by this request, the

proceeding will be treated, for *ex parte* purposes, as a “permit-but-disclose” proceeding in accordance with Section 1.1200(a) of the Commission’s rules, subject to the requirements under Section 1.1206(b). Parties should file all comments and reply comments in ET Docket No. 19–138.

Filing Requirements. Parties may file comments, identified by ET Docket No. 19–138, by any of the following methods:

- **Electronic Filers:** Comments may be filed electronically using the internet by accessing the ECFS: <https://www.fcc.gov/ecfs/>.

- **Paper Filers:** Parties who choose to file by paper must file an original and one copy of each filing.

Filings can be sent by commercial courier or by the U.S. Postal Service. All filings must be addressed to the Commission’s Secretary, Office of the Secretary, Federal Communications Commission.

- Commercial deliveries (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9050 Junction Drive, Annapolis Junction, MD 20701.

- U.S. Postal Service First-Class, Express, and Priority mail must be addressed to 45 L Street NE, Washington, DC 20554.

- Effective March 19, 2020, and until further notice, the Commission no longer accepts any hand or messenger delivered filings. This is a temporary measure taken to help protect the health and safety of individuals, and to mitigate the transmission of COVID-19. See FCC Announces Closure of FCC Headquarters Open Window and Change in Hand-Delivery Policy, Public Notice, DA 20–304 (March 19, 2020). <https://www.fcc.gov/document/fcc-closes-headquarters-open-window-and-changes-hand-delivery-policy>.

- During the time the Commission’s building is closed to the general public and until further notice, if more than one docket or rulemaking number appears in the caption of a proceeding,

paper filers need not submit two additional copies for each additional docket or rulemaking number; an original and one copy are sufficient.

People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an email to fcc504@fcc.gov or call the Consumer & Government Affairs Bureau at 202–418–0530 (voice), 202–418–0432 (tty).

By the Acting Chief, Wireless Telecommunications Bureau, and the Chief, Public Safety and Homeland Security Bureau.

Amy Brett,

Acting Chief of Staff, Wireless Telecommunications Bureau.
