Privacy Act of 1974; Report of Modified or Altered System

AGENCY: Department of Health and Human Services (HHS) Centers for Medicare & Medicaid Services (CMS).

ACTION: Notice of proposed modification or alteration to a system of records (SOR).

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, we are proposing to modify or alter an SOR, "Unique Physician/Practitioner Identification Number (UPIN) (formerly known as the Medicare Physician Identification and Eligibility System)," System No. 09-70-0525. We propose to delete published routine use number 1 authorizing disclosure to contractors for refining or processing records, and in connection with Automated Data Processing software or a telecommunication system containing or supporting records in the system, number 3 authorizing disclosure to the Railroad Retirement Board (RRB), number 6 authorizing disclosure to the Department of Justice (DOJ) for investigating and prosecuting violations of the Social Security Act (the Act), number 7 authorizing disclosure to state licensing boards for review of unethical practices or non-professional conduct, and an unnumbered routine use authorizing disclosure to the Social Security Administration (SSA). Disclosures that were previously permitted under published routine use number 1 will now be authorized under proposed routine use number 2. Proposed routine use number 2 will release information to "agency contractors or consultants" who have been engaged by the agency to assist in accomplishment of a CMS function related to this system of records (SOR). Disclosures previously permitted under published routine uses number 3, 7, and to the SSA will be authorized by proposed routine use number 3, which will release information to "another Federal and/or state agency, agency of a state government, an agency established by state law, or its fiscal agent." Disclosures authorizing release to DOJ for investigating and prosecuting violations of the Act will be carried out under proposed routine use number 9, which authorizes release of data to "combat fraud and abuse." We propose to add 3 new routine uses to provide disclosure of records when all
