**SUPPLEMENTARY INFORMATION:****I. Background**

ETA regulations at 20 CFR 653.500 established procedures for the recruitment of agricultural workers. In situations where an adequate supply of workers does not exist in the local recruiting area, out-of-area recruitment can be attempted. In order to initiate

out-of-area recruitment for temporary agricultural work, agricultural employers must use the Agricultural and Food Processing Clearance Order, ETA Form 790, if they wish to list the job opening with state workforce agencies (SWAs). The Agricultural and Food Processing Clearance Memorandum, ETA Form 795 is used by SWAs to extend job orders beyond their jurisdictions, give notice of action on a clearance order, request additional information, amend the order, report results, and accept or reject the extended job order.

**II. Desired Focus of Comments**

Currently, ETA is soliciting comments concerning the proposed three-year extension without change of the Agricultural and Food Processing Clearance Order, ETA Form 790, and the Agricultural and Food Processing Clearance Memorandum, ETA Form 795, from the current end date of June 30, 2006, to a new end date of June 30, 2009. Comments are requested in order to achieve the following:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
  - Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
  - Enhance the quality, utility, and clarity of the information to be collected; and
  - Minimize the burden of the collection of information on those who are to respond by including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
- A copy of the proposed information collection request can be obtained by contacting the office listed above in the addressee section of this notice.
