Item	Subject	FAR case
I	List of Domestically Nonavailable Articles	2020–009
II	Technical Amendments

SUPPLEMENTARY INFORMATION:

Summaries for each FAR rule follow. For the actual revisions and/or amendments made by these FAR rules, refer to the specific item numbers and subjects set forth in the documents following these item summaries. FAC 2025–04 amends the FAR as follows:

Item I—List of Domestically Nonavailable Articles (FAR Case 2020–009)

This final rule amends the FAR to revise the list of domestically nonavailable articles under the Buy American statute. The changes are not expected to have a significant economic impact on a substantial number of small entities. It is expected that this rule will encourage small businesses to take an interest in building domestic manufacturing capabilities and capacity; this would be a positive impact though not a substantial impact.

Item II—Technical Amendments

Administrative changes are made at FAR 1.401, 17.703, 33.105, 52.101, 52.102, 52.300, 52.301.
