

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency**

[Docket ID FEMA-2021-0002; Internal Agency Docket No. FEMA-B-2143]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR), in accordance with Federal Regulations. The LOMR will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings. For rating purposes, the currently effective community number is shown in the table below and must be used for all new policies and renewals.

DATES: These flood hazard determinations will be finalized on the dates listed in the table below and revise the FIRM panels and FIS report

in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in which to request through the community that the Deputy Associate Administrator for Insurance and Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

ADDRESSES: The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Submit comments and/or appeals to the Chief Executive Officer of the community as listed in the table below.

FOR FURTHER INFORMATION CONTACT: Rick Sacibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacibit@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The specific flood hazard determinations are not described for each community in this notice. However, the online location and local community map repository address where the flood hazard determination information is available for inspection is provided.

Any request for reconsideration of flood hazard determinations must be submitted to the Chief Executive Officer

of the community as listed in the table below.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

These flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. The flood hazard determinations are in accordance with 44 CFR 65.4.

The affected communities are listed in the following table. Flood hazard determination information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

BILLING CODE 9110-12-P

DEPARTMENT OF HOMELAND SECURITY**Federal Emergency Management Agency**

[Docket ID FEMA-2014-0022]

Technical Mapping Advisory Council

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Request for applicants for appointment to the Federal Emergency Management Agency's Technical Mapping Advisory Council.

SUMMARY: The Federal Emergency Management Agency (FEMA) is requesting qualified individuals interested in serving on the Technical Mapping Advisory Council (TMAC) to apply for appointment. As provided for in the *Biggert-Waters Flood Insurance Reform Act of 2012*, the TMAC makes recommendations to the FEMA Administrator on how to improve, in a cost-effective manner, the accuracy, general quality, ease of use, and distribution and dissemination of Flood Insurance Rate Maps (FIRMs) and risk data; and performance metrics and milestones required to effectively and efficiently map flood risk areas in the United States. The appointments are for 3 years each and applicants will be considered for appointment for the five vacancies on the TMAC.

DATES: Applications will be accepted until 11:59 p.m. ET on July 30, 2021.

ADDRESSES: Applications for membership should be submitted by one of the following methods:

- Email: FEMA-TMAC@fema.dhs.gov.
- Mail: FEMA, Federal Insurance and Mitigation Administration, Risk Management Directorate, Attn: Brian Koper, 400 C Street SW, Suite 6NW-1412, Washington, DC 20472-3020.

FOR FURTHER INFORMATION CONTACT: Brian Koper, Designated Federal Officer

for the TMAC, FEMA, Federal Insurance and Mitigation Administration, Risk Management Directorate, 400 C Street SW, Suite 6NW-1412, Washington, DC 20472-3020, (202) 733-7859, FEMA-TMAC@fema.dhs.gov. The TMAC website is: <http://www.fema.gov/TMAC>.

SUPPLEMENTARY INFORMATION: The TMAC is an advisory committee that was established by the *Biggert-Waters Flood Insurance Reform Act of 2012*, 42 U.S.C. 4101a, and in accordance with provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C. App. (Pub. L. 92-463). The TMAC is required to make recommendations to FEMA on mapping-related issues and activities, including mapping standards and guidelines, performance metrics and milestones, map maintenance, interagency and intergovernmental coordination, map accuracy, and funding strategies. In addition, the TMAC is required to submit an annual report to the FEMA Administrator that contains: (1) A description of the activities of the Council; (2) an evaluation of the status and performance of FIRMs and mapping activities to revise and update FIRMs; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

Members of the TMAC will be appointed based on their demonstrated knowledge and competence in areas such as surveying, cartography, remote sensing, geographic information systems, or the technical aspects of preparing and using FIRMs. To the maximum extent practicable, FEMA will ensure that membership of the TMAC has a balance of Federal, State, local, Tribal, and private members, and includes geographic diversity.

FEMA is requesting qualified individuals who are interested in serving on the TMAC to apply for appointment. Applicants will be considered for appointment for five vacancies on the TMAC, the terms of which start in late March 2022. Certain members of the TMAC, as described below, will be appointed to serve as Special Government Employees (SGE)

as defined in title 18 U.S.C. 202(a). Candidates selected for appointment will be subject to the Federal conflict of interest laws and standard of conduct regulations and required to file a New Entrant Confidential Disclosure Report (OGE 450). This form can be obtained by visiting the website of the Office of Government Ethics (<http://www.oge.gov>). Please do not submit this form with your application. Qualified applicants will be considered for one or more of the following membership categories with vacancies:

(a) One representative of a State government agency that has entered into cooperating technical partnerships with the Administrator and has demonstrated the capability to produce FIRMs;

(b) One representative of a local government agency that has entered into cooperating technical partnerships with the Administrator and has demonstrated the capability to produce FIRMs;

(c) One member of a recognized professional surveying association or organization;

(d) One member of a recognized regional flood and storm water management organization; and

(e) One member of a recognized risk management association or organization.

Members of the TMAC serve terms of office for 3 years. There is no application form. However, applications must include the following information:

- The applicant's full name;
- home and business phone numbers;
- preferred email address;
- home and business mailing addresses;
- current position title and organization;
- resume or curriculum vitae; and
- the membership category of interest (e.g., member of a recognized professional association or organization representing flood hazard determination firms).

The TMAC shall meet as often as needed to fulfill its mission, but not less than twice a year. Members may be reimbursed for travel and per diem incurred in the performance of their
