F. Federal Awardee Performance and Integrity Information System (FAPIIS)

The IHS is required to review and consider any information about the applicant that is in the FAPIIS at <https://www.fapiis.gov/fapiis/#/home> before making any award in excess of the simplified acquisition threshold (currently \$250,000) over the period of performance. An applicant may review and comment on any information about itself that a Federal awarding agency previously entered. The IHS will consider any comments by the applicant, in addition to other information in FAPIIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants, as described in 45 CFR 75.205.

As required by 45 CFR part 75 appendix XII of the Uniform Guidance, NFEs are required to disclose in FAPIIS any information about criminal, civil, and administrative proceedings, and/or affirm that there is no new information to provide. This applies to NFEs that receive Federal awards (currently active grants, cooperative agreements, and procurement contracts) greater than \$10,000,000 for any period of time during the period of performance of an award/project.

Mandatory Disclosure Requirements

As required by 2 CFR part 200 of the Uniform Guidance, and the HHS implementing regulations at 45 CFR part

75, the IHS must require an NFE or an applicant for a Federal award to disclose, in a timely manner, in writing to the IHS or pass-through entity all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

All applicants and recipients must disclose in writing, in a timely manner, to the IHS and to the HHS Office of Inspector General of all information related to violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. 45 CFR 75.113.

Disclosures must be sent in writing to: U.S. Department of Health and Human Services, Indian Health Service, Division of Grants Management, ATTN: Paul Gettys, Deputy Director, 5600 Fishers Lane, Mail Stop: 09E70, Rockville, MD 20857, (Include "Mandatory Grant Disclosures" in subject line), Office: (301) 443-5204, Fax: (301) 594-0899, Email: Paul.Gettys@ihs.gov.

VIII. Other Information

The Public Health Service strongly encourages all grant, cooperative agreement, and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

BILLING CODE 4165-16-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Notice of Purchased/Referred Care Delivery Area Redesignation for the Minnesota Chippewa Tribe, Minnesota, Mille Lacs Band of Ojibwe

AGENCY: Indian Health Service, Health and Human Services.

ACTION: Final notice.

SUMMARY: Notice is hereby given that the Indian Health Service (IHS) has decided to expand the geographic boundaries of the Purchased/Referred Care Delivery Area (PRCDA) for the Mille Lacs Band of Ojibwe in the State of Minnesota to include the Minnesota counties of Crow Wing and Morrison in the State of Minnesota. The final PRCDA for the Mille Lacs Band of Ojibwe is now the Minnesota counties of Aitkin, Crow Wing, Kanebec, Mille Lacs, Morrison, and Pine. Mille Lacs Band of Ojibwe members residing outside of the PRCDA are eligible for direct care services, however, they are not eligible for Purchased/Referred Care (PRC) services. The sole purpose of this expansion is to authorize additional Mille Lacs Band of Ojibwe members and beneficiaries to receive PRC services.

DATES: This expansion is effective as of the publication date of this notice.

ADDRESSES: This notice can be found at <https://www.federalregister.gov>. Written requests for information should be delivered to: CAPT John Rael, Director, Office of Resource Access and Partnerships, Indian Health Service, 5600 Fishers Lane, Mail Stop 10E85C, Rockville, MD 20857, (301) 443-0609 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION:

Inspection of Public Comments: All comments received before the close of the comment period are available for viewing by the public, including any personally identifiable or confidential business information that is included in a comment.

Background: The IHS provides services under regulations in effect as of September 15, 1987, and republished at 42 CFR part 136, subparts A–C. Subpart C defines a Contract Health Service Delivery Area (CHSDA), now referred to as a PRCDA, as the geographic area within which PRC will be made available by the IHS to members of an identified Indian community who reside in the PRCDA. Residence within a PRCDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR 136.12, creates no legal entitlement to PRC but only potential eligibility for services. Services needed, but not available at an IHS/Tribal facility, are provided under the PRC program depending on the availability of funds, the relative medical priority of the services to be provided, and the actual availability and accessibility of alternate resources in accordance with the regulations.

As applicable to the Tribes, these regulations provide that, unless otherwise designated, a PRCDA shall consist of a county which includes all or part of a reservation and any county or counties which have a common boundary with the reservation (42 CFR 136.22(a)(6)). The regulations also provide that after consultation with the Tribal governing body or bodies on those reservations included within the PRCDA, the Secretary may, from time to time, redesignate areas within the United States for inclusion in or exclusion from a PRCDA. The regulations require that certain criteria must be considered before any redesignation is made. The criteria are as follows:

The number of Indians residing in the area proposed to be so included or excluded;

Whether the Tribal governing body has determined that Indians residing in the area near the reservation are socially and economically affiliated with the Tribe;

The geographic proximity to the reservation of the area whose inclusion or exclusion is being considered; and

The level of funding that would be available for the provision of PRC.

Additionally, the regulations require that any redesignation of a PRCDA must be made in accordance with the Administrative Procedure Act (5 U.S.C. 553). In compliance with this requirement, IHS published a proposed notice of redesignation of the Mille Lacs Band of Ojibwe PRCDA to include the Minnesota counties of Crow Wing and

Morrison and requested public comments on October 14, 2020 (85 FR 65055). IHS did not receive any public comments in response to the proposed notice of redesignation.

In support of this expansion, IHS adopts the following findings of the Mille Lacs Band of Ojibwe, which had requested that IHS expand the Mille Lacs Band of Ojibwe PRCDA to include the Minnesota counties of Crow Wing and Morrison:

By expanding, the Mille Lacs Band of Ojibwe estimates the current eligible population will be increased by 324.

The Mille Lacs Band of Ojibwe has determined that these 324 individuals are members of the Mille Lacs Band of Ojibwe and they are socially and economically affiliated with the Mille Lacs Band of Ojibwe.

The expanded area, including Crow Wing and Morrison counties in the State of Minnesota, maintains a common boundary with the current PRCDA consisting of Aitkin, Kanebec, Mille Lacs, and Pine counties in the State of Minnesota.

The Mille Lacs Band of Ojibwe will use its existing Federal allocation for PRC funds to provide services to the expanded population. IHS will allocate no additional financial resources to the Mille Lacs Band of Ojibwe to provide services to Mille Lacs Band of Ojibwe members residing in Crow Wing and Morrison counties in the State of Minnesota.

Public Comments: IHS did not receive any public comments in response to the proposed notice of redesignation.
