SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75717; File No. SR-BYX-2015-35]

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 11.22 To Describe the Market Data Product BYX Book Viewer

August 18, 2015.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 7, 2015, BATS Y-Exchange, Inc. (the “Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend Rule 11.22 to describe a market data product known as BYX Book Viewer.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to add language to Rule 11.22 describing a market data product known as BYX Book Viewer. The proposal memorializes in the Exchange’s rules a data feed that is currently available through the Exchange’s public Web site free of charge. BYX Book Viewer is a data feed that disseminates, on a real-time basis, the aggregated two-side quotations for up to five (5) price levels for all displayed orders for securities traded on the Exchange and for which the Exchanges reports quotes under the Consolidated Tape Association (“CTA”) Plan or the Nasdaq/UTP Plan. BYX Book Viewer also contains the last ten (10) trades including time of trade, price and share quantity. BYX Book Viewer is currently available via www.batstrading.com without charge. The Exchange will file a separate proposed rule change with the Commission proposing fees to be

charged for certain types of access to BYX Book Viewer as of September 1, 2015.⁵

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and to protect investors and the public interest, and that it is not designed to permit unfair discrimination among customers, brokers, or dealers. This proposal is in keeping with those principles in that it promotes increased transparency through the dissemination of BYX Book Viewer. The Exchange also believes this proposal is consistent with section 6(b)(5) of the Act because it protects investors and the public interest and promotes just and equitable principles of trade by providing investors with an alternative for receiving market data as requested by market data vendors and purchasers that expressed an interest in exchange-only data for instances where consolidated data is no longer required to be purchased and displayed. The proposed rule change would benefit investors by facilitating their prompt access to real-time depth-of-book information contained in BYX Book Viewer. The proposed rule change also removes impediments to and perfect the mechanism of a free and open market and a national market system by memorializing in the Exchange’s rules a data feed that is currently available through the Exchange’s public Web site free of charge.

The Exchange also believes that the proposed rule change is consistent with section 11(A) of the Act⁸ in that it supports (i) fair competition among

⁵ The Exchange understands that its affiliated exchanges intend to file identical proposed rule changes to adopt rules and fees for the Book Viewer data feed with the Commission. The Exchange’s affiliates are EDGA Exchange, Inc., EDGX Exchange, Inc. and BATS Exchange, Inc.

brokers and dealers, among exchange markets, and between exchange markets and markets other than exchange markets and (ii) the availability to brokers, dealers, and investors of information with respect to quotations for and transactions in securities. Furthermore, the proposed rule change is consistent with Rule 603 of Regulation NMS,⁹ which provides that any national securities exchange that distributes information with respect to quotations for or transactions in an NMS stock do so on terms that are not unreasonably discriminatory. BYX Book Viewer is accessed and subscribed to on a voluntary basis, in that neither the Exchange nor market data distributors are required by any rule or regulation to make this data available. Accordingly, distributors and subscribers can discontinue use at any time and for any reason.

In adopting Regulation NMS, the Commission granted self-regulatory organizations and broker-dealers increased authority and flexibility to offer new and unique market data to consumers of such data. It was believed that this authority would expand the amount of data available to users and consumers of such data and also spur innovation and competition for the provision of market data. The Exchange believes that the data products proposed herein are precisely the sort of market data products that the Commission envisioned when it adopted Regulation NMS. The Commission concluded that Regulation NMS—by lessening regulation of the market in proprietary data—would itself further the Act's goals of facilitating efficiency and competition:

[E]fficiency is promoted when broker-dealers who do not need the data beyond the prices, sizes, market center identifications of the NBBO and consolidated last sale information are not required to receive (and pay for) such data. The Commission also believes that efficiency is promoted when broker-dealers may choose to receive (and pay for) additional market data based on their own internal analysis of the need for such data.¹⁰

By removing “unnecessary regulatory restrictions” on the ability of exchanges to sell their own data, Regulation NMS advanced the goals of the Act and the principles reflected in its legislative history.

In addition, BYX Book Viewer removes impediments to and perfects the mechanism of a free and open market and a national market system

because BYX Book Viewer provides investors with alternative market data and competes with similar market data product currently offered by the New York Stock Exchange, Inc. (“NYSE”) and the Nasdaq Stock Market LLC (“Nasdaq”).¹¹ The provision of new options for investors to receive market data was a primary goal of the market data amendments adopted by Regulation NMS.¹² BYX Book Viewer is precisely the sort of market data product that the Commission envisioned when it adopted Regulation NMS.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal is not intended to address any competitive issues, but rather to memorialize in the Exchange's rules a data feed that is currently available through the Exchange's public Web site free of charge. Nonetheless, the Exchange believes that the proposal will promote competition by the Exchange offering a service similar to that offered by the NYSE and Nasdaq.¹³ Thus, the Exchange believes this proposed rule change is necessary to permit fair competition among national securities exchanges. Therefore, the Exchange does not believe the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under section 19(b)(3)(A) of the Act¹⁴ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁵ The proposed rule change effects a change that: (A) Does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.¹⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75721; File No. SR-NYSE-2015-35]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1, Amending Certain of Its Disciplinary Rules To Facilitate the Reintegration of Certain Regulatory Functions From Financial Industry Regulatory Authority, Inc.

August 18, 2015.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the

“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on August 5, 2015, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. On August 14, 2015, the exchange filed Amendment No. 1 to the proposed rule change, which amended and replaced the proposed rule change in its entirety. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend certain of its disciplinary rules to facilitate the reintegration of certain regulatory functions from Financial Industry Regulatory Authority, Inc. (“FINRA”). This Amendment No. 1 supersedes the original filing in its entirety. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend certain of its disciplinary rules to permit the reintegration of certain regulatory functions from FINRA as of January 1, 2016.

Background of Proposed Rule Change

On June 14, 2010, the NYSE, NYSE Regulation, Inc. (“NYSE Regulation”),⁴ and FINRA entered into a Regulatory Services Agreement (“RSA”), whereby FINRA was retained to perform the market surveillance and enforcement functions that had previously been performed by NYSE, through its wholly-owned subsidiary NYSE Regulation. Pursuant to the RSA, FINRA has been performing Exchange enforcement-related regulatory services, including investigating and enforcing violations of Exchange rules, and conducting disciplinary proceedings arising out of such enforcement actions, including those relating to NYSE-only rules and against dual members and non-FINRA members. To facilitate FINRA's performance of these functions, the Exchange amended its rules to provide that Exchange rules that refer to NYSE Regulation or its staff, Exchange staff, and Exchange departments should be understood to also refer to FINRA staff and FINRA departments acting on behalf of the Exchange pursuant to the RSA.⁵

In 2013, the Exchange adopted new disciplinary rules that are, with certain exceptions, substantially the same as the text of the FINRA Rule 8000 Series and Rule 9000 Series, which set forth rules for conducting investigations and enforcement actions.⁶ Those rules were implemented on July 1, 2013⁷ and, among other things: (1) Identify FINRA's Department of Enforcement and Department of Market Regulation as the departments permitted to commence disciplinary proceedings, when authorized by FINRA's Office of Disciplinary Affairs (“ODA”); (2)

⁴ NYSE Regulation, a not-for-profit subsidiary of the Exchange, performs the Exchange's regulatory functions pursuant to a delegation agreement. See note 7 [sic], *infra*. The Exchange recently filed to, among other things, terminate the delegation agreement, establish a regulatory oversight committee (“ROC”) as a committee of the board of directors of the Exchange, and reintegrate its regulatory and market functions. See Release No. 75288 (June 24, 2015), 80 FR 37316 (June 30, 2015) (SR-NYSE-2015-27) (the “NYSE ROC Filing”). The amendments proposed herein are consistent with, and not dependent on approval of, the NYSE ROC Filing.

⁵ See Rule 0. Notwithstanding the RSA, the Exchange retains ultimate legal responsibility for, and control of, the Exchange's regulatory functions performed by FINRA. See Securities Exchange Act Release No. 62355 (June 22, 2010), 75 FR 36729 (June 28, 2010) (SR-NYSE-2010-46).

⁶ See Securities Exchange Act Release Nos. 68678 (January 16, 2013), 78 FR 5213 (January 24, 2013) (SR-NYSE-2013-02), 69045 (March 5, 2013), 78 FR 15394 (March 11, 2013) (SR-NYSE-2013-02), and 69963 (July 10, 2013), 78 FR 42573 (July 16, 2013) (SR-NYSE-2013-49).
