A. Overview of Information Collection

Title of Information Collection: Race and Ethnic Data Collection.

OMB Approval Number: 2535–0113.

Type of Request: Reinstatement with change of a previously approved collection.

Form Number: HUD Form 27061.

Description of the need for the information and proposed use: The information collected through HUD's standardized Form for the Collection of Race and Ethnic Data is required under 24 CFR—PART 1—Nondiscrimination

in Federally Assisted Programs of the Department of Housing and Urban Development—Effectuation of the Title VI of the Civil Rights Act of 1964. HUD's Title VI regulations, specifically 24 CFR 1.6, require recipients of Federal financial assistance to maintain and submit racial and ethnic data so HUD may determine whether such programs comply with Title VI data collection requirements. HUD must offer individuals who are responding to agency data requests for race the option of selecting one or more of five racial categories. HUD must also treat ethnicity as a category separate from race. Title VI requires recipients of HUD funding to maintain records, make them available to responsible Department officials, and if requested, submit compliance reports. For example, HUD grant programs may request information during program monitoring and compliance reviews to ensure compliance with the nondiscrimination requirements of Title VI.

A. Overview of Information Collection

Title of Information Collection:

Multifamily Default Status Report.

OMB Approval Number: 2502-0041.

OMB Expiration Date: 10/31/19.

Type of Request: Revision of currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: The regulations at 24 CFR 207.256, 24 CFR 207.256a, and 24 CFR 207.258 require a mortgagee to notify HUD when a mortgage payment is in default (more than 30 days past due), when a mortgage has been reinstated, and to submit an election to assign a defaulted loan to HUD within a specified timeframe from the date of default. The regulation at 24 CFR 200, Subpart B, requires lenders to submit delinquency, default, election to assign, and other related loan information statuses electronically to HUD. Lenders previously used HUD Form 92426 for these submissions, however, with the implementation of the regulation requiring electronic notification, the Multifamily Delinquency and Default Reporting System (MDDR) was established to replace the paper form HUD-92426. HUD uses the information as an early warning mechanism to work with project owners and lenders to develop a plan that will reinstate a loan and avoid an insurance claim. It also provides
