

completed with the highest degree of quality. Reporting responsibilities include quarterly program performance reports using the Performance Progress Report (SF-PPR) and quarterly financial status using the SF-425 (also known as the Federal Financial Report or SF-FFR).

Respondents: Grant recipients.

Frequency: quarterly throughout the period of performance.

During the project management phase, each grantee that expends \$750,000 or more during their own fiscal year in all Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of 2 CFR 200.501. (The \$750,000 threshold is not limited to Safe Streets and Roads for All funding.) This reporting responsibility is required annually and uses a form, the SF-SAC. It is estimated that this survey will take an average of 100 hours for large auditees and 21 hours for all other auditees to complete, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Respondents: Grant recipients.

Frequency: annually during any fiscal year in which \$750,000 or more in any Federal funds are expended, throughout the period of performance.

During the project evaluation phase, the reporting requirement is necessary to assess program effectiveness for the Federal government and to comply with Subsection 24112(g). This report provides information regarding how the project is achieving the outcomes that grantees have targeted to help measure the effectiveness of the Safe Streets and Roads for All Grant Program. In addition, under Subsection 24112(h), at the end of the period of performance for a grant under the program each grant recipient is required to submit a report that describes the costs of each eligible project carried out using the grant funds; the outcomes and benefits generated; the lessons learned; and any recommendations relating to future projects or strategies.

Respondents: Grant recipients.

Frequency: one time after the period of performance ends.

Estimated Average Burden per

Response:

- *Application phase:* approximately 30 hours for the comprehensive safety action plan grants and 110 hours for the implementation grants per respondent.

- *Grant Agreement phase:* approximately 1 hour per respondent (comprehensive safety action plan or implementation grant).

- *For grantees expending \$750,000 or more of all Federal funds in a fiscal year only:*

- Approximately 100 hours for large grantees.

- Approximately 21 hours for all other grantees.

- *Project Management phase:* 8 hours annually per grant.

- *Project Evaluation phase:* 12 hours annually per implementation grant; 2 hours annually per action plan grant.

Estimated Total Annual Burden Hours—first year: Approximately 41 hours, including grant application, for comprehensive safety action plan grants and approximately 131 hours, including grant application, for implementation grants.

Subsequent years (cumulative): 10 hours for action plan grants (expected period of performance: 2 years); 48 hours for implementation grants (expected period of performance: 5 years); *add 100 hours for single audits for large grantees and 21 hours for all other grantees expending \$750,000 or more of Federal funds in a single fiscal year.*

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; 23 U.S.C. 134 and 135; and 23 CFR Chapter 1, subchapter E, part 450.

Dated: October 27, 2022.

Michael Howell,

FHWA Information Collection Officer.

BILLING CODE 4910-22-P

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2022-0045]

Qualification of Drivers; Exemption Applications; Epilepsy and Seizure Disorders

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

ACTION: Notice of applications for exemption; request for comments.

SUMMARY: FMCSA announces receipt of applications from 13 individuals for an exemption from the prohibition in the Federal Motor Carrier Safety Regulations (FMCSRs) against persons with a clinical diagnosis of epilepsy or any other condition that is likely to cause a loss of consciousness or any loss of ability to control a commercial motor vehicle (CMV) to drive in interstate commerce. If granted, the exemptions would enable these individuals who have had one or more seizures and are taking anti-seizure medication to operate CMVs in interstate commerce.

DATES: Comments must be received on or before December 1, 2022.

ADDRESSES: You may submit comments identified by the Federal Docket Management System Docket No. FMCSA-2022-0045 using any of the following methods:

- *Federal eRulemaking Portal:* Go to www.regulations.gov/, insert the docket number, FMCSA-2022-0045, in the keyword box, and click "Search." Next, sort the results by "Posted (Newer-Older)," choose the first notice listed, and click on the "Comment" button. Follow the online instructions for submitting comments.

- *Mail:* Dockets Operations; U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12-140, Washington, DC 20590-0001.

- *Hand Delivery:* West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590-0001 between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays.

- *Fax:* (202) 493-2251.

To avoid duplication, please use only one of these four methods. See the "Public Participation" portion of the **SUPPLEMENTARY INFORMATION** section for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: Ms. Christine A. Hydock, Chief, Medical Programs Division, (202) 366-4001, fmcsamedical@dot.gov, FMCSA, DOT,

1200 New Jersey Avenue SE, Room W64–224, Washington, DC 20590–0001. Office hours are 8:30 a.m. to 5 p.m., ET, Monday through Friday, except Federal holidays. If you have questions regarding viewing or submitting material to the docket, contact Dockets Operations, (202) 366–9826.

SUPPLEMENTARY INFORMATION:

I. Public Participation

A. Submitting Comments

If you submit a comment, please include the docket number for this notice (Docket No. FMCSA–2022–0045), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so that FMCSA can contact you if there are questions regarding your submission.

To submit your comment online, go to www.regulations.gov/docket?D=FMCSA-2022-0045. Next, sort the results by “Posted (Newer-Older),” choose the first notice listed, click the “Comment” button, and type your comment into the text box on the following screen. Choose whether you are submitting your comment as an individual or on behalf of a third party and then submit.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the facility, please enclose a stamped, self-addressed postcard or envelope.

FMCSA will consider all comments and material received during the comment period.

B. Viewing Comments

To view comments go to www.regulations.gov. Insert the docket number, FMCSA–2022–0045, in the keyword box, and click “Search.” Next, sort the results by “Posted (Newer-Older),” choose the first notice listed, and click “Browse Comments.” If you do not have access to the internet, you may view the docket online by visiting Dockets Operations in Room W12–140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE, Washington, DC 20590–0001, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays. To be

sure someone is there to help you, please call (202) 366–9317 or (202) 366–9826 before visiting Dockets Operations.

C. Privacy Act

In accordance with 49 U.S.C. 31315(b)(6), DOT solicits comments from the public on the exemption request. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov. As described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at www.dot.gov/privacy, the comments are searchable by the name of the submitter.

II. Background

Under 49 U.S.C. 31136(e) and 31315(b), FMCSA may grant an exemption from the FMCSRs for no longer than a 5-year period if it finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The statute also allows the Agency to renew exemptions at the end of the 5-year period. FMCSA grants medical exemptions from the FMCSRs for a 2-year period to align with the maximum duration of a driver's medical certification.

The 13 individuals listed in this notice have requested an exemption from the epilepsy and seizure disorders prohibition in 49 CFR 391.41(b)(8). Accordingly, the Agency will evaluate the qualifications of each applicant to determine whether granting the exemption will achieve the required level of safety mandated by statute.

The physical qualification standard for drivers regarding epilepsy found in § 391.41(b)(8) states that a person is physically qualified to drive a CMV if that person has no established medical history or clinical diagnosis of epilepsy or any other condition which is likely to cause the loss of consciousness or any loss of ability to control a CMV.

In addition to the regulations, FMCSA has published advisory criteria¹ to assist medical examiners (MEs) in determining whether drivers with certain medical conditions are qualified to operate a CMV in interstate commerce.

The criteria states that if an individual has had a sudden episode of a non-epileptic seizure or loss of consciousness of unknown cause that did not require anti-seizure medication,

the decision whether that person's condition is likely to cause the loss of consciousness or loss of ability to control a CMV should be made on an individual basis by the ME in consultation with the treating physician. Before certification is considered, it is suggested that a 6-month waiting period elapse from the time of the episode. Following the waiting period, it is suggested that the individual have a complete neurological examination. If the results of the examination are negative and anti-seizure medication is not required, then the driver may be qualified.

In those individual cases where a driver has had a seizure or an episode of loss of consciousness that resulted from a known medical condition (e.g., drug reaction, high temperature, acute infectious disease, dehydration, or acute metabolic disturbance), certification should be deferred until the driver has recovered fully from that condition, has no existing residual complications, and is not taking anti-seizure medication.

Drivers who have a history of epilepsy/seizures, off anti-seizure medication and seizure-free for 10 years, may be qualified to operate a CMV in interstate commerce. Interstate drivers with a history of a single unprovoked seizure may be qualified to drive a CMV in interstate commerce if seizure-free and off anti-seizure medication for a 5-year period or more.

As a result of MEs misinterpreting advisory criteria as regulation, numerous drivers have been prohibited from operating a CMV in interstate commerce based on the fact that they have had one or more seizures and are taking anti-seizure medication, rather than an individual analysis of their circumstances by a qualified ME based on the physical qualification standards and medical best practices.

On January 15, 2013, FMCSA announced in a Notice of Final Disposition titled, “Qualification of Drivers; Exemption Applications; Epilepsy and Seizure Disorders,” (78 FR 3069), its decision to grant requests from 22 individuals for exemptions from the regulatory requirement that interstate CMV drivers have “no established medical history or clinical diagnosis of epilepsy or any other condition which is likely to cause loss of consciousness or any loss of ability to control a CMV.” Since that time, the Agency has published additional notices granting requests from individuals for exemptions from the regulatory requirement regarding epilepsy found in § 391.41(b)(8).

To be considered for an exemption from the epilepsy and seizure disorders

¹ These criteria may be found in APPENDIX A TO PART 391—MEDICAL ADVISORY CRITERIA, section H. *Epilepsy*: § 391.41(b)(8), paragraphs 3, 4, and 5, which is available on the internet at <https://www.gpo.gov/fdsys/pkg/CFR-2015-title49-vol5/pdf/CFR-2015-title49-vol5-part391-appA.pdf>.

prohibition in § 391.41(b)(8), applicants must meet the criteria in the 2007 recommendations of the Agency's Medical Expert Panel (78 FR 3069).

III. Qualifications of Applicants

Ralph Bollman

Mr. Bollman is a 57-year-old class CM license holder in Pennsylvania. He has a history of seizure disorder and has been seizure free since 1984. He takes anti-seizure medication with the dosage and frequency remaining the same since 1984. His physician states that he is supportive of Mr. Bollman receiving an exemption.

Diane Berggren

Ms. Berggren is a 54-year-old class C license holder in Oregon. She has a history of epilepsy and has been seizure free since 2011. She takes anti-seizure medication with the dosage and frequency remaining the same since 2011. Her physician states that he is supportive of Ms. Berggren receiving an exemption.

Ryan Freedman

Mr. Freedman is a 32-year-old chauffeur license holder in Michigan. He has a history of seizure disorder and has been seizure free since 2007. He takes anti-seizure medication with the dosage and frequency remaining the same since April 2019. His physician states that he is supportive of Mr. Freedman receiving an exemption.

Jared Friedman

Mr. Friedman is a 30-year-old class D license holder in New York. He has a history of seizure disorder and has been seizure free since 2002. He takes anti-seizure medication with the dosage and frequency remaining the same since May 2019. His physician states that he is supportive of Mr. Friedman receiving an exemption.

Jacob Higginbotham

Mr. Higginbotham is a 23-year-old class C license holder in Nevada. He has a history of epilepsy and has been seizure free since 2012. He takes anti-seizure medication with the dosage and frequency remaining the same since 2012. His physician states that he is supportive of Mr. Higginbotham receiving an exemption.

Matthew Jacobson

Mr. Jacobson is a 27-year-old class C license holder in Pennsylvania. He has a history of seizures and has been seizure free since 2013. He takes anti-seizure medication with the dosage and frequency remaining the same since 2016. His physician states that he is

supportive of Mr. Jacobson receiving an exemption.

Keith Maat

Mr. Maat is a 37-year-old class C license holder in Kansas. He has a history of partial seizures evolving to secondary generalized seizures disorder and has been seizure free since 2011. He takes anti-seizure medication with the dosage and frequency remaining the same since July 2019. His physician states that he is supportive of Mr. Maat receiving an exemption.

Matthew Raymond

Mr. Raymond is a 34-year-old class B CDL holder in New York. He has a history of epilepsy and has been seizure free since 1999. He takes anti-seizure medication with the dosage and frequency remaining the same since 1999. His physician states that he is supportive of Mr. Raymond receiving an exemption.

Andrew Rieschick

Mr. Rieschick is a 35-year-old class O license holder in Nebraska. He has a history of generalized tonic-clonic seizure disorder and has been seizure free since 2009. He takes anti-seizure medication with the dosage and frequency remaining the same since 2009. His physician states that he is supportive of Mr. Rieschick receiving an exemption.

Steven Schultz

Mr. Schultz is a 34-year-old class DM license holder in Illinois. He has a history of seizures and has been seizure free since 2001. He takes anti-seizure medication with the dosage and frequency remaining the same since 2019. His physician states that he is supportive of Mr. Schultz receiving an exemption.

David Shively

Mr. Shively is a 53-year-old class C license holder in Virginia. He has a history of seizures and has been seizure free since 1991. He takes anti-seizure medication with the dosage and frequency remaining the same since 1991. His physician states that he is supportive of Mr. Shively receiving an exemption.

Stephen St. Marthe

Mr. St. Marthe is a 27-year-old class C license holder in North Carolina. He has a history of focal epilepsy with secondary generalization and has been seizure free since 2012. He takes anti-seizure medication with the dosage and frequency remaining the same since 2014. His physician states that he is

supportive of Mr. St. Marthe receiving an exemption.

Carsten Thode

Mr. Thode is a 58-year-old class B CDL holder in Washington. He has a history of epilepsy and has been seizure free since 2014. He takes anti-seizure medication with the dosage and frequency remaining the same since 1990. His physician states that he is supportive of Mr. Thode receiving an exemption.

Request for Comments

In accordance with 49 U.S.C. 31136(e) and 31315(b), FMCSA requests public comment from all interested persons on the exemption petitions described in this notice. We will consider all comments received before the close of business on the closing date indicated under the **DATES** section of the notice.

Larry W. Minor,

Associate Administrator for Policy.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2015-0329; FMCSA-2016-0002; FMCSA-2017-0058; FMCSA-2017-0059; FMCSA-2017-0061; FMCSA-2018-0135; FMCSA-2018-0138; FMCSA-2020-0027]

Qualification of Drivers; Exemption Applications; Hearing

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew exemptions for 23 individuals from the hearing requirement in the Federal Motor Carrier Safety Regulations (FMCSRs) for interstate commercial motor vehicle (CMV) drivers. The exemptions enable these hard of hearing and deaf individuals to continue to operate CMVs in interstate commerce.

DATES: Each group of renewed exemptions were applicable on the dates stated in the discussions below and will expire on the dates provided below. Comments must be received on or before December 1, 2022.

ADDRESSES: You may submit comments identified by the Federal Docket Management System Docket No. FMCSA-2015-0329, Docket No. FMCSA-2016-0002, Docket No.
