SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

China Changjiang Mining & New Energy Co., Ltd.; Order of Suspension of Trading

April 1, 2011.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of China Changjiang Mining & New Energy Co., Ltd. ("CHJI"), a Nevada corporation previously known as North American Gaming and Entertainment Corporation. CHJI has headquarters and operations in the People's Republic of China and trades in the over-the-counter market under the symbol "CHJI."

Questions have arisen regarding the accuracy and completeness of information contained in CHJI's public filings with the Commission concerning, among other things, the company's financial statements for 2009 and 2010. CHJI has failed to disclose that (a) the company filed its last periodic report on Form 10-Q for the quarter ended September 30, 2010 without the

required review of the interim financial statements by an independent public accountant; and (b) the company's independent auditor has resigned, withdrawn its audit opinion issued April 16, 2010 relating to the audit of the company's consolidated financial statements as of December 31, 2009, and informed the company that the financial statements for the quarters ended March 31, June 30, and September 30, 2010 could no longer be relied upon.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, on April 1, 2011 through 11:59 p.m. EDT, on April 14, 2011.

By the Commission.

Elizabeth M. Murphy,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64150; File No. SR-Phlx-2011-38]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to ETNs

March 30, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 22, 2011, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's Fee Schedule to codify the Exchange's existing practice of assessing fees for transactions in exchange-traded

note ("ETN")³ options at the same rates for exchange-traded fund ("ETF") options.⁴

While changes to the Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on April 1, 2011.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to codify the Exchange's existing practice of assessing fees for transactions in ETN options at the same rates for ETF options. Specifically, the Exchange is proposing to amend Section II of the Exchange's Fee Schedule, titled Equity Options Fees, and Section III, titled Singly Listed Options, by including references to ETNs in those

³ ETNs are also known as "Index-Linked Securities," which are designed for investors who desire to participate in a specific market segment by providing exposure to one or more identifiable underlying securities, commodities, currencies, derivative instruments or market indexes of the foregoing. Index-Linked Securities are the non-convertible debt of an issuer that have a term of at least one (1) year but not greater than thirty (30) years. Despite the fact that Index-Linked Securities are linked to an underlying index, each trade as a single, exchange-listed security. Accordingly, rules pertaining to the listing and trading of standard equity options apply to Index-Linked Securities.

⁴ An ETF is an open-ended registered investment company under the Investment Company Act of 1940 that has received certain exemptive relief from the Commission to allow secondary market trading in the ETF shares. ETFs are generally index-based products, in that each ETF holds a portfolio of securities that is intended to provide investment results that, before fees and expenses, generally correspond to the price and yield performance of the underlying benchmark index.
