Availability of Final Evaluation Findings of Other State and Territorial Coastal Programs

The NOAA Office for Coastal Management has completed review of the Coastal Zone Management Program evaluations for the states of Oregon and Alabama. Both states were found to be implementing and enforcing their federally approved coastal management programs, addressing the national coastal management objectives identified in CZMA Section 303(2)(A)–

(K), and adhering to the programmatic terms of their financial assistance awards.

The NOAA Office for Coastal Management has completed review of the National Estuarine Research Reserve evaluation for the Tijuana River reserve and the reserve was found to be adhering to programmatic requirements of the National Estuarine Research Reserve System. Copies of the final evaluation findings may be downloaded at http://coast.noaa.gov/czm/evaluations/evaluation_findings/index.html or by submitting a written request to the person identified under **FOR FURTHER INFORMATION CONTACT**.
