## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. RM01-5-000]

#### Notice of Changes To Enable Filers Making eTariff Filings To Designate Applicants and To Add Service List Entries; Electronic Tariff Filings

Take notice that on February 3, 2025,  
 changes to the Commission's systems  
 have been implemented to enable filers  
 making eTariff filings to designate the  
 lead and additional or co-applicants on  
 a filing and to include additional names  
 in the service list through FERC Online.

#### I. Filings in Which the Lead Applicant and Company IDs Are the Same

For most filings in which the lead  
 applicant\_id and the company\_id are  
 the same, the only applicant will be the  
 company name associated with the  
 Company Registration ID used for both  
 the lead\_applicant\_id and the company\_id.  
 All registered email addresses added  
 in FERC Online will be added to the  
 service list. The last active account  
 manager email address in company  
 registration also will be added to the  
 service list.

#### II. Filings in Which the Lead Applicant ID Differs From Company ID

When the filing company (company\_id)  
 is filing on behalf of another entity  
 as lead applicant, the filing company  
 can choose whether it wants to be  
 considered an Additional or Co-  
 Applicant. Section A describes the  
 process to be used in FERC Online by  
 which the filing company *will not be*  
 considered an Applicant or Co-  
 Applicant and *will not be* added to the  
 service list. Section B describes the  
 process to be used in FERC Online by  
 which the filing company *will be*  
 considered an Applicant or Co-  
 Applicant and *will be* added to the  
 service list.

#### A. Filing Company Does Not Want To Be Considered an Additional Applicant

1. Filers that do not want the filing  
 company (company\_id) to be considered

an applicant will still be required to  
 include *the one registered email address*  
*required by FERC Online* as the  
 “Signer” associated with the company\_id.  
 But they *should not add* any  
 additional email address for the filing  
 company. If filed in this manner, the  
 filing company will not be considered  
 an Additional or Co-Applicant and the  
 single (signer) email address will not be  
 added to the service list.

2. The last active account manager  
 email address in company registration  
 associated with the lead\_applicant\_id  
 will be added to the service list  
 automatically.

3. To add additional registered email  
 addresses for the lead applicant, the  
 filer can select the lead applicant as an  
 “Additional Applicant” in FERC Online  
 and add the desired email addresses for  
 that entity.

#### B. Filing Company Wants To Be Considered an Additional Applicant

1. Filers that want the filing company  
 associated with the company\_id to be an  
 Additional or Co-Applicant on the filing  
 must include more than one registered  
 email address (in addition to the  
 “Signer” in FERC Online).<sup>1</sup> If more than  
 one email address is added, the filing  
 company will be treated as an  
 Additional Applicant or Co-Applicant  
 and all email addresses for the filing  
 company will be added to the service  
 list.

2. The last active account manager  
 email address in company registration  
 associated with the lead\_applicant\_id  
 will be added to the service list  
 automatically.

3. To add additional registered email  
 addresses for the lead applicant, the  
 filer can select the lead applicant as an  
 “Additional Applicant” in FERC Online  
 and add the desired email addresses for  
 that entity.

As the Commission systems are  
 upgraded, the goal is to make this  
 process more straightforward in the  
 future. But, given our current systems,  
 this approach will enable filers to  
 correctly identify the applicants on a  
 filing and include additional registered  
 email addresses to the service list as  
 part of the filing.

Questions on these changes should be  
 directed to: Michael Goldenberg at  
[Michael.Goldenberg@ferc.gov](mailto:Michael.Goldenberg@ferc.gov), James  
 Sarikas at [James.Sarikas@ferc.gov](mailto:James.Sarikas@ferc.gov), and  
[etariffresponse@ferc.gov](mailto:etariffresponse@ferc.gov).

<sup>1</sup> Filing companies (company-id) that want to be  
 considered an Additional or Co-Applicant and only  
 want a single contact for the service list can enter  
 the same email address as both the signer and other  
 contact.
