

FOR FURTHER INFORMATION CONTACT:

Debbie Martin, Boise, ID at phone number 208/321-2959 or e-mail: debbie.martin@noaa.gov.

SUPPLEMENTARY INFORMATION: This notice is relevant to the Snake River steelhead (*Oncorhynchus mykiss*) Evolutionarily Significant Unit (ESU).

Background

WDFW has submitted to NMFS an FMEP for inland recreational fisheries potentially affecting listed adults and juveniles of the SR steelhead ESU. These include all freshwater fisheries managed under the sole jurisdiction of the State of Washington occurring within the boundaries of the SR steelhead ESU including the anadromous portions of the Snake River mainstem and tributaries, from the mouth upstream to the Washington-Oregon border. The objective of the fisheries is to harvest known, hatchery-origin steelhead, hatchery spring and fall chinook and other fish species in a manner that does not jeopardize the survival and recovery of the listed SR ESU. All steelhead fisheries included in this FMEP will be managed such that only hatchery-produced adult steelhead that are adipose fin clipped may be retained. Impact levels to the listed SR steelhead ESU are specified in the FMEP. Population risk assessments in the FMEP indicate the extinction risk for the listed ESU under the proposed fishery impact levels to be low. A variety of monitoring and evaluation tasks are specified in the FMEP to assess the abundance of steelhead, determine fishery effort and catch of steelhead, and angler compliance. WDFW will annually conduct a wild population status and a review of the fisheries within the provisions of the FMEP. WDFW will conduct, at a minimum of every 5 years, a comprehensive review to evaluate the effectiveness of the FMEP.

As specified in the July 10, 2000, ESA 4 (d) rule for salmon and steelhead (65 FR 42422), NMFS may approve an FMEP if it meets criteria set forth in § 223.203 (b)(4)(i)(A) through (I). Prior to final approval of an FMEP, NMFS must publish notification announcing its availability for public review and comment.

Authority

Under section 4 of the ESA, the Secretary of Commerce is required to adopt such regulations as he deems necessary and advisable for the conservation of species listed as threatened. The ESA salmon and steelhead 4 (d) rule (65 FR 42422, July

10, 2000) specifies categories of activities that contribute to the conservation of listed salmonids and sets out the criteria for such activities. The rule further provides that the prohibitions of paragraph (a) of the rule do not apply to activities associated with fishery harvest provided that an FMEP has been approved by NMFS to be in accordance with the salmon and steelhead 4 (d) rule.

Dated: July 6, 2001.

Phil Williams,

Acting Chief, Endangered Species Division, Office of Protected Resources, National Marine Fisheries Service.

COMMISSION OF FINE ARTS**Notice of Meeting**

The next meeting of the Commission of Fine Arts is scheduled for July 19, 2001 at 10:00 a.m., in the Commission's offices at the National Building Museum, Suite 312, Judiciary Square, 441 F Street, NW., Washington, DC 20001-2728. Items of discussion affecting the appearance of Washington, DC, may include buildings, parks and memorials.

Draft agendas are available to the public one week prior to the meeting. Inquiries regarding the agenda and requests to submit written or oral statements should be addressed to Charles H. Atherton, Secretary, Commission of Fine Arts, at the above address or call 202-504-2200. Individuals requiring sign language interpretation for the hearing impaired should contact the Secretary at least 10 days before the meeting date.

Dated in Washington, DC, July 2, 2001.

Charles H. Atherton,

Secretary.

BILLING CODE 6330-01-M

CONSUMER PRODUCT SAFETY COMMISSION**Petition HP 01-3 Requesting a Ban on Use of Chromated-Copper-Arsenate (CCA) Treated Wood in Playground Equipment**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: The Commission has received a submission that contains a request that the Commission ban use of chromated-

copper-arsenate (CCA) treated wood in playground equipment. This request has been docketed as petition under number HP 01-3 under the Federal Hazardous Substances Act (FHSA). The Commission solicits written comments concerning the petition.

DATES: The Office of the Secretary must receive comments on the petition by September 11, 2001.

ADDRESSES: Comments on the petition, preferably in five copies, should be mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, telephone (301) 504-0800, or delivered to the Office of the Secretary, Room 501, 4330 East-West Highway, Bethesda, Maryland 20814. Comments may also be filed by facsimile to (301) 504-0127 or by e-mail to cpssc-os@cpssc.gov. Comments should be captioned "Petition HP 01-3, Petition for Ban on Use of CCA Treated Wood in Playground Equipment." A copy of the petition is available for inspection at the Commission's Public Reading Room, Room 419, 4330 East-West Highway, Bethesda, Maryland.

FOR FURTHER INFORMATION CONTACT: Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, D.C. 20207; telephone (301) 504-0800, ext. 1232.

SUPPLEMENTARY INFORMATION: The Commission has received correspondence from the Environmental Working Group (EWG) and the Healthy Building Network (HBN) requesting that it issue a ban on use of chromated-copper-arsenate (CCA) treated wood in playground equipment. The petitioners assert that a ban is necessary because "[r]ecent research has shown that arsenic is more carcinogenic than previously recognized, that arsenic is present at significant concentrations on CCA-treated wood and in underlying soil, that the health risks posed by this wood are greater than previously recognized, and that past risk assessments were incomplete."

The Commission is docketing the request for a ban as a petition under provisions of the Federal Hazardous Substances Act (FHSA), 15 U.S.C. 1261-1278.

The submission also requests that the Commission review the safety of CCA-treated wood for general use. This request has not been docketed as part of the petition because this action does not require rulemaking. (The request for a review will be considered separately by the CPSC's Office of Hazard Identification and Reduction.)

Interested parties may obtain a copy of the petition by writing or calling the Office of the Secretary, Consumer

Product Safety Commission, Washington, DC 20207; telephone (301) 504-0800. A copy of the petition is also available for inspection from 8:30 a.m. to 5 p.m., Monday through Friday, in the Commission's Public Reading Room, Room 419, 4330 East-West Highway, Bethesda, Maryland.

Dated: July 9, 2001.

Todd A. Stevenson,

Acting Secretary, Consumer Product Safety Commission.

BILLING CODE 6355-01-P

DEPARTMENT OF DEFENSE

Office of the Secretary

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title, Form, and OMB Number: Personnel Security Investigation Projection for Industry Survey; DSS Form 232; OMB Number 0704-0417.

Type of Request: Reinstatement.

Number of Respondents: 11,000.

Responses per Respondent: 1.

Annual Responses: 11,000.

Average Burden per Response: 75 minutes.

Annual Burden Hours: 13,750.

Needs and Uses: Under the National Industrial Security Program (NISP), the Defense Security Service (DSS) is responsible for conducting personnel security investigations (PSIs) of employees of those cleared contractor entities under its security cognizance. The execution of the DSS Form 232 is an essential factor in projecting the needs of cleared contractor entities for PSIs. This collection of information requests the voluntary assistance of the Facility Security Officer to provide projections of the numbers and types of PSIs. The data will be incorporated into DSS budget submissions.

Affected Public: Business or Other For-Profit; Not-For-Profit Institutions.

Frequency: On Occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Mr. Edward C. Springer.

Written comments and recommendations on the proposed information collection should be sent to Mr. Springer at the Office of Management and Budget, Desk Officer

for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Dated: July 6, 2001.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-08-M

DEPARTMENT OF DEFENSE

Department of the Army

Inland Waterways Users Board

AGENCY: Department of the Army, DOD.

ACTION: Notice of request for nominations.

SUMMARY: Section 302 of Public Law (Pub. L.) 99-662 established the Inland Waterways Users Board. The Board is an independent Federal advisory committee. Its 11 members are appointed by the Secretary of the Army. This notice is to solicit nominations for five (5) appointments or reappointments to two-year terms that will begin January 1, 2002.

ADDRESSES: Office of the Assistant Secretary of the Army (Civil Works), Department of the Army, Washington, DC 20310-0103. Attention: Inland Waterways Users Board Nominations Committee.

FOR FURTHER INFORMATION CONTACT:

Office of the Assistant Secretary of the Army (Civil Works) (703) 697-8986.

SUPPLEMENTARY INFORMATION: The selection, service, and appointment of Board members are covered by provisions of Section 302 of Pub. L. 99-662. The substance of those provisions is as follows:

a. *Selection.* Members are to be selected from the spectrum of commercial carriers and shippers using the inland and intracoastal waterways, to represent geographical regions, and to be representative of waterborne commerce as determined by commodity ton-miles statistics.

b. *Service.* The Board is required to meet at least semi-annually to develop and make recommendations to the Secretary of the Army on waterways construction and rehabilitation priorities and spending levels for commercial navigation improvements, and report its recommendations annually to the Secretary and Congress.

c. *Appointment.* The operation of the Board and appointment of its members are subject to the Federal Advisory Committee Act (Pub. L. 92-463, as amended) and departmental implementing regulations. Members serve without compensation but their expenses due to Board activities are reimbursable. The considerations specified in Section 302 for the selection of the Board members, and certain terms used therein, have been interpreted, supplemented, or otherwise clarified as follows:

(1) *Carriers and Shippers.* The law uses the terms "primary users and shippers." Primary users has been interpreted to mean the providers of transportation services on inland waterways such as barge or towboat operators. Shippers has been interpreted to mean the purchasers of such services for the movement of commodities they own or control. Individuals are appointed to the Board, but they must be either a carrier or shipper, or represent a firm that is a carrier or shipper. For that purpose a trade or regional association is neither a shipper or primary user.

(2) *Geographical Representation.* The law specifies "various" regions. For the purpose of selecting Board members, the waterways subjected to fuel taxes and described in Pub. L. 95-502, as amended, have been aggregated into six regions. They are (1) the Upper Mississippi River and its tributaries above the mouth of the Ohio; (2) the Lower Mississippi River and its tributaries below the mouth of the Ohio and above Baton Rouge; (3) the Ohio River and its tributaries; (4) the Gulf Intracoastal Waterway in Louisiana and Texas; (5) the Gulf Intracoastal Waterway east of New Orleans and associated fuel-taxed waterways including the Tennessee-Tombigbee, plus the Atlantic Intracoastal Waterway below Norfolk; and (6) the Columbia-Snake Rivers System and Upper Willamette. The intent is that each region shall be represented by at least one Board member, with that representation determined by the regional concentration of the individual's traffic on the waterways.

(3) *Commodity Representation.* Waterway commerce has been aggregated into six commodity categories based on "inland" ton-miles shown in Waterborne Commerce of the United States. These categories are (1) Farm and Food Products; (2) Coal and Coke; (3) Petroleum, Crude and Products; (4) Minerals, Ores, and Primary Metals and Mineral Products; (5) Chemicals and Allied Products; and (6) All other. A consideration in the
