### Notice of Public Comment Period for Proposed Clean Water Act Consent Decree

Notice is hereby given that, for a period of 30 days, the United States will receive public comments on a proposed Consent Decree in *United States v. Explorer Pipeline Company* ("Explorer

Consent Decree") (Civil Action No. 4:08-cv-2944), which was lodged with the United States District Court for the Southern District of Texas on January 8, 2009.

The Complaint in this Clean Water Act case was filed against Explorer Pipeline Company on October 2, 2008. The Complaint alleges that Explorer is civilly liable for violation of the Clean Water Act ("CWA"), 33 U.S.C. 1251 *et seq.*, as amended by the Oil Pollution Act of 1990 ("OPA"), 33 U.S.C. 2701 *et seq.* The Complaint seeks civil penalties for the discharge of jet fuel into navigable waters of the United States or adjoining shorelines from Explorer's 28-inch interstate refined petroleum products pipeline near Huntsville, Walker County, Texas, on July 14, 2007. The Complaint alleges that at least 6,568 barrels of jet fuel were discharged from the pipeline during the spill event. Under the settlement, Explorer will pay a civil penalty of \$3,300,000. In earlier responses to the spill, Explorer replaced the section of pipe that ruptured and completed cleanup of the impacted waters and adjoining shorelines. In addition, Explorer is cooperating in a joint federal and state natural resource damage assessment and is performing additional pipeline assessment and followup work under a Corrective Action Order issued by the United States Department of Transportation, Pipeline and Hazardous Materials Safety Administration.

Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and may be submitted to: P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, or via e-mail to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov), and should refer to *United States v. ### Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on December 31, 2008, a proposed consent decree (the "Decree") in *United States and State of Oregon v. Pacific Northern Environmental Corp., dba Dedicated Fuels, Inc.*, Civil Action No. 3:08-cv-01513-HU, was lodged with the United States District Court for the District of Oregon.

In this action the United States and State of Oregon sought civil penalties for Pacific Northern Environmental Corp.'s ("PNE") violation of the Clean Water Act's spill prohibition. PNE owns and operates a heating oil business located in North Bend, Oregon, as well as several gas stations in the area. On July 8, 2006, a tanker truck owned and operated by Dedicated carrying several hundred barrels of diesel fuel overturned while traveling on Highway 38, near Milepost 17, just east of Scottsburg, Oregon. Approximately 197 barrels of diesel fuel spilled. Diesel fuel that did not ignite in the ensuing fire migrated to the Umpqua River. PNE's discharge to the Umpqua River violated the Clean Water Act and Oregon law. Under the consent decree, PNE will pay the United States and the State of Oregon civil penalties of \$74,272 and \$20,000, respectively. Additionally, PNE agrees to perform a supplemental environmental project ("SEP"), the cost of which shall be not less than \$47,640.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the consent decree.
