Title: Indexing Face Templates Using Linear Models.

Abstract: We present a theory for constructing linear subspace approximations to face-recognition algorithms and empirically demonstrate that a surprisingly diverse set of face-recognition approaches can be approximated well by using a linear model. A linear model, built using a training set of face images, is specified in terms of a linear subspace spanned by possible non-orthogonal vectors.

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce

ACTION: Notice of a public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a joint public meeting of its Red Crab Plan Development Team and Advisory Panel in January, 2010 to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this joint group will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This meeting will be held on Wednesday, January 20, 2010 at 10 a.m.

ADDRESSES: This meeting will be held at the Starboard Galley, 55 Water Street, Newburyport, MA 01952; telephone: (978) 462-1326; fax: (978) 465-1205.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The items of discussion include:

1. Receive an update on PDT re-evaluation of MSY proxy for red crab and review of progress on outstanding issues;
2. Identification of further analysis or refinement needed for MSY re-evaluation and preparation for peer review of MSY re-evaluation;
3. Further consideration of measures for inclusion in Amendment 3;
4. Response to issues raised in the 2010 specifications document, if necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
