SUPPLEMENTARY INFORMATION: OMB Control No.: 3060-0819.

Title: Lifeline Assistance (Lifeline) Connection Assistance (Link-Up) Reporting Worksheet and Instructions (47 CFR 54.400-54.417).

Form No: FCC Form 497.

Number of Respondents: 1,318,055.

Estimated Time Per Response: .08-42 hours.

Total Annual Burden: 101,493 hours.

Total Annual Cost: N/A.

Privacy Act Impact Assessment: N/A.

Needs and Uses: In a Report and Order and Further Notice of Proposed Rulemaking in FCC 04-87 (WC Docket No. 03-109, adopted and released in April 2004), the Commission adopts the Joint-Board's recommendation to require all states, including federal default states, to adopt certification procedures to document income-based eligibility for Lifeline/Link-Up enrollment. Because self-certification of income is more difficult to confirm than is a self-certification of program participation, the Commission agreed with the Joint Board that requiring presentation of documentation supporting income eligibility would protect against fraud and abuse. The Commission held similar concerns for continued enrollment in the Lifeline/Link-Up program and required documentation of eligibility for continued enrollment in the program. In conjunction with presentation of income eligibility documentation, the eligible telecommunications carrier (ETC) is required to certify that the ETC has procedures in place to review presented documentation or to certify that it is in compliance with the state requirements established to review income eligibility documentation. ETCs must retain records of their certifications. In addition, the applicant

is required to certify the accuracy of the state household income and the number of persons in the household. ETCs are required to collect and retain these certifications. The FCC Form 497 has also been revised to clarify instructions, add new data elements to the form to clarify specific requirements and reformatted for ease of completing. In addition to the certification and verification requirements noted above, the Commission will issue a voluntary survey to gather data and information about state Lifeline/Link-Up programs. This will enable the Commission to make more informed decisions in any future Commission orders.

Federal Communications Commission.

Marlene H. Dortch,

Secretary.
