SUPPLEMENTARY INFORMATION:

I. Background

The Advisory Committee advises the Secretary on improving the health of racial and ethnic minorities and developing goals and specific program activities. These activities include, but are not limited, to the following:

(1) Establish short-range and long-range goals and objectives and coordinate all other activities within the Public Health Service that relate to disease prevention, health promotion, service delivery, and research concerning such individuals.

(2) Enter into interagency agreements with other agencies of the Public Health Service.

(3) Support research, demonstrations, and evaluations to test new and innovative models.

(4) Increase knowledge and understanding of health risk factors.

(5) Develop mechanisms that support better information dissemination, education, prevention, and service delivery to individuals from disadvantaged backgrounds, including individuals who are members of racial and ethnic minority groups.

(6) Ensure that the National Center for Health Statistics collects data on the health status of each minority group.

(7) With respect to individuals who lack proficiency in speaking the English language, enter into contracts with
