DEPARTMENT OF THE TREASURY

Privacy Act of 1974; System of Records

AGENCY: Department of the Treasury.

ACTION: Notice of modified systems of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of the Treasury (“Treasury” or the “Department”) proposes to modify a system of records notice relating to the Treasury system of records titled, “Department of the Treasury Civil Rights Complaints, Compliance Reviews, and Fairness in Federal Programs Files.”

DATES: Submit comments on or before March 29, 2023. The modification will be applicable on February 27, 2023, unless Treasury receives comments and determines that changes to the system of records notice are necessary.

ADDRESSES: Comments may be submitted to the Federal eRulemaking Portal electronically at <http://www.regulations.gov>. Comments can also be sent to the Deputy Assistant Secretary for Privacy, Transparency, and Records, Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220, Attention: Revisions to Privacy Act Systems of Records. All comments received, including attachments and other supporting documents, are part of the public record and subject to public disclosure. All comments received will be posted without change to www.regulations.gov, including any personal information provided. You should submit only information that you wish to make publicly available.

FOR FURTHER INFORMATION CONTACT: For general questions and questions regarding privacy issues, please contact: the Deputy Assistant Secretary for Privacy, Transparency, and Records (202–622–5710), Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, as amended (5 U.S.C. 552a), the Department of the Treasury (Treasury), proposes to modify a system of records notice, 81 FR 78266, relating to the Treasury system of records titled, “Department of the Treasury, Civil Rights Complaints, Compliance Reviews, and Fairness in Federal Programs Files.”

Treasury is making changes to this system of records notice to delete one system location and system manager (to reflect Treasury realignment and consolidation of bureaus); to expand the scope of the “Compliance Review Files” referenced in the original notice (81 FR 78266) to cover information used to analyze the distribution of program resources under various Treasury programs and authorities such as the State Small Business Credit Initiative (SSBCI), including for fairness, equity, and opportunity; changing the name of the system and other changes to describe more specifically that records regarding compliance reviews to ensure fairness in Federal programs may include information collected or used by various Treasury bureaus or offices to analyze the distribution of federal resources, including to promote the allocation of Federal resources to advance fairness, equity, and opportunity; and to reflect the change in the name of the “Treasury Office of Civil Rights and Diversity” (OOCR) to the “Office of Civil Rights and Equal Economic Opportunity” (OCRE).

The expansion of the scope of Compliance Review Files covered by this system could have an impact on privacy. To reduce the impact on privacy, Treasury conducted a Privacy and Civil Liberties Impact Assessment with respect to its collection of certain sensitive data through the SSBCI program, which carefully considered the risks, benefits, and controls for collecting this information. Data collected through SSBCI reports is described in published SSBCI Capital Program Reporting Guidance, which underwent review by the Office of Management and Budget, including through the Paperwork Reduction Act process (OMB control number 1505–0227). Treasury has also published an Interim Final Rule describing the purpose and relevant authorities for the collection of certain demographic data. See 87 FR 13633 (Mar. 10, 2022). Treasury has provided a report of this system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and

OMB, pursuant to 5 U.S.C. 552a(r) and OMB Circular A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,” dated December 23, 2016.

Dated: 22 February 2023.
