

Date and Ending Position Limit, to alert the industry participants to position limit changes. Therefore, the Exchange believes that its proposal is designed to promote just and equitable principles of trade and to foster cooperation and coordination with persons engaged in regulating, clearing, settling, and processing information with respect to transactions in securities.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange does not believe that the proposed rule change will impose any burden on intra-market competition as the rules of the Exchange apply equally to all Members of the Exchange and all Members of the Exchange are required to adhere to the position limits established by the Exchange's rules.

The Exchange does not believe that the proposed rule change will impose any burden on inter-market competition as the proposal is not competitive in nature. The Exchange believes that all option exchanges will adopt substantively similar proposals for establishing position limits for underlying securities that undergo a stock split or reverse stock split, such that the Exchange's proposal would benefit competition.

For these reasons, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission shall: (a) by order approve or disapprove such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.

**[SEC File No. 270-481, OMB Control No. 3235-0538]**

#### **Submission for OMB Review; Comment Request; Extension: Form ADV-H**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Form ADV-H under the Investment Advisers Act of 1940." Form ADV-H (17 CFR 279.3) under the Investment Advisers Act of 1940 ("Advisers Act") is the application that investment advisers use to request a hardship exemption from making Advisers Act filings electronically with the Investment Adviser Registration Depository ("IARD").

There are two types of hardship exemptions from making Advisers Act filings through IARD: a temporary hardship exemption and a continuing hardship exemption. Advisers Act rule 203-3 (17 CFR 275.203-3) sets forth requirements for both temporary hardship exemptions and continuing hardship exemptions for advisers registered or registering with the Commission. Advisers Act rule 204-4(e) (17 CFR 275.204-4(e)) sets forth requirements for temporary hardship exemptions for exempt reporting advisers.

A temporary hardship exemption is available to advisers registered or registering with the Commission, as well as exempt reporting advisers, if the adviser has unanticipated technical difficulties that prevent it from submitting a filing to the IARD system. To apply for a temporary hardship exemption, the adviser must file Form

<sup>22</sup> 17 CFR 200.30-3(a)(12).

ADV-H in paper format no later than one business day after the subject filing was due, and submit the subject filing electronically through IARD no later than seven business days after the subject filing was due. The temporary hardship exemption is granted when the adviser files the completed Form ADV-H.

A continuing hardship exemption provides an exemption from electronic filing for no more than one year. It is available to certain advisers registered or registering with the Commission; it is not available to exempt reporting advisers. Such adviser must be a small business and be able to demonstrate that the electronic filing requirements are prohibitively burdensome or expensive. To apply for a continuing hardship exemption, an adviser must file Form ADV-H at least ten business days before a filing is due. The Commission will grant or deny the application within ten business days after the adviser files Form ADV-H. If the Commission approves the application, the adviser may submit filings to FINRA in paper format for the period of time for which the exemption is granted.

The purpose of the collection of information is to enable the Commission to process requests for temporary hardship exemptions and to determine whether to grant a continuing hardship exemption from the requirement for advisers to make Advisers Act filings electronically through IARD.

Respondents are investment advisers registered or registering with the Commission, as well as exempt reporting advisers. Based on our experience and data, we estimate that there are 20,926 respondents, consisting of 15,414 registered investment advisers and 5,512 exempt reporting advisers. Of those respondents, we estimate that we would receive one response annually, and each response would take approximately one hour to complete. Therefore, we estimate an annual aggregate burden of one hour for this collection of information.

The collection of information does not require recordkeeping or records retention. The collection of information requirements are mandatory. The information collected is a filing with the Commission, and is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: [www.reginfo.gov](http://www.reginfo.gov). Find this particular information collection by selecting

“Currently under 30-day Review—Open for Public Comments” or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice by June 7, 2023 to (i) [MBX.OMB.OIRA.SEC\\_desk\\_officer@omb.eop.gov](mailto:MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov) and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or by sending an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: May 2, 2023.

Assistant Secretary.

[Release No. 34–97417; File No. SR–PEARL–2023–18]

### Self-Regulatory Organizations; MIAx PEARL, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the MIAx Pearl Equities Fee Schedule To Modify Certain Connectivity and Port Fees

May 2, 2023.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the fee schedule (the “Fee Schedule”) applicable to MIAx Pearl Equities, an equities trading facility, to amend certain connectivity and port fees.<sup>3</sup>

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/pearl> at MIAx Pearl’s principal

office, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend the Fee Schedule to amend fees for: (1) the 1 gigabit (“Gb”) and 10Gb ultra-low latency (“ULL”) fiber connections for Equity Members<sup>4</sup> and non-Members; (2) the Financial Information Exchange (“FIX”) Ports,<sup>5</sup> and the MIAx Express Orders Interface (“MEO”) Ports.<sup>6</sup> The Exchange adopted connectivity and port fees in September 2020,<sup>7</sup> and has not changed those fees since they were adopted. Since that time, the Exchange experienced ongoing increases in expenses, particularly internal expenses.<sup>8</sup> As discussed more fully below, the Exchange recently calculated increased annual aggregate costs of \$18,331,650 for providing 1Gb and 10Gb ULL connectivity combined and

<sup>4</sup> The term “Equity Member” means a Member authorized by the Exchange to transact business on MIAx PEARL Equities. See Exchange Rule 1901.

<sup>5</sup> “FIX Order Interface” or “FOI” means the Financial Information Exchange interface for certain order types as set forth in Exchange Rule 2614. See the Definitions section of the Fee Schedule.

<sup>6</sup> Each MEO interface will have one Full Service Port (“FSP”) and one Purge Port. “Full Service Port” or “FSP” means an MEO port that supports all MEO order input message types. See the Definitions section of the Fee Schedule.

<sup>7</sup> See Securities Exchange Act Release No. 90651 (December 11, 2020), 85 FR 81971 (December 17, 2020) (SR–PEARL–2020–33).

<sup>8</sup> For example, the New York Stock Exchange, Inc.’s (“NYSE”) Secure Financial Transaction Infrastructure (“SFTI”) network, which contributes to the Exchange’s connectivity cost, increased its fees by approximately 9% since 2021. Similarly, since 2021, the Exchange, and its affiliates, experienced an increase in data center costs of approximately 17% and an increase in hardware and software costs of approximately 19%. These percentages are based on the Exchange’s actual 2021 and proposed 2023 budgets.
