

Executive departments and agencies shall coordinate with the Department of Labor's Occupational Safety and Health Administration and Office of Workers' Compensation Programs to develop strategies aimed at achieving performance targets in each category. The Secretary of Labor shall lead the initiative by measuring both government-wide and agency-level performance. Each executive department and agency shall bear its own costs for participating in the PEER Initiative. Nothing in this memorandum shall be construed to impair or otherwise affect the authority granted by law to an executive department or agency, or the head thereof.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable by law or in equity by any party against the United States; its departments, agencies, or entities; its officers, employees, or agents; or any other person.

The Secretary of Labor is authorized and directed to publish this memorandum in the Federal Register.

NATIONAL FOUNDATION ON THE ARTS AND THE HUMANITIES

Institute of Museum and Library Services

Submission for OMB Review, Comment Request, Proposed Collection Requests: Museum Capacity-Building Programs Assessment Project

AGENCY: Institute of Museum and Library Services, National Foundation on the Arts and the Humanities.

ACTION: Submission for OMB review, comment request.

SUMMARY: The Institute of Museum and Library Services announces the following information collection has been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The purpose of this Notice is to solicit comments about this assessment process, instructions and data collections.

A copy of the proposed information collection request can be obtained by

contacting the individual listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **FOR FURTHER INFORMATION CONTACT** section below on or before April 3, 2020.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).

ADDRESSES: Comments should be sent to Office of Information and Regulatory Affairs, *Attn.*: OMB Desk Officer for Education, Office of Management and Budget, Room 10235, Washington, DC 20503, (202) 395-7316.

FOR FURTHER INFORMATION CONTACT: Mr. Christopher Reich, Institute of Museum and Library Services, 955 L'Enfant Plaza North SW, Suite 4000, Washington, DC 20024-2135. Mr. Reich can be reached

by Telephone: 202-653-4685, Fax: 202-653-4601, or by email at creich@imls.gov, or by teletype (TTY/TDD) for persons with hearing difficulty at 202-653-4614.

SUPPLEMENTARY INFORMATION: The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to work together to transform the lives of individuals and communities. To learn more, visit www.imls.gov.

Current Actions: Over its history, the Institute of Museum and Library Services (IMLS) has invested in a wide range of organizational capacity building and technical assistance for the museum sector through grant making and special initiatives. Through this project, IMLS seeks to strengthen the alignment of its investments, and other offerings in the sector, and understand the full scope of existing museum capacity building opportunities, including but not limited to organizational assessment, coaching, cohort learning, self-driven communities of practice, and self-serve resources. Through this assessment project, IMLS seeks to obtain a holistic view of the museum target audience and needs for capacity building support, identify potential gaps in the suite of current offerings, and define both

opportunities and partnerships for new and expanded offerings.

This action is to seek approval for the information collection for the Museum Capacity-Building Assessment Programs for the next three years. Agency: Institute of Museum and Library Services. Title: Museum Capacity-Building Programs Assessment Project.

NUCLEAR REGULATORY COMMISSION

Advisory Committee on the Medical Uses of Isotopes Charter Renewal

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of renewal of the charter of the Advisory Committee on the Medical Uses of Isotopes.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has determined that renewal of the charter for the Advisory Committee on the Medical Uses of Isotopes (ACMUI) until February 28, 2022, is in the public interest in connection with duties imposed on the Commission by law. This action is being taken in accordance with the Federal Advisory Committee Act, after consultation with the Committee Management Secretariat, General Services Administration.

The purpose of the ACMUI is to provide advice to the NRC on policy and technical issues that arise in regulating the medical use of byproduct material for diagnosis and therapy. Responsibilities include providing guidance and comments on current and proposed NRC regulations and regulatory guidance concerning medical use; evaluating certain non-routine uses of byproduct material for medical use; and evaluating training and experience of proposed authorized users. The members are involved in preliminary discussions of major issues in determining the need for changes in

NRC policy and regulation to ensure the continued safe use of byproduct material. Each member provides technical assistance in his/her specific area(s) of expertise, particularly with respect to emerging technologies. Members also provide guidance as to NRC's role in relation to the responsibilities of other Federal agencies as well as of various professional organizations and boards.

Members of this Committee have demonstrated professional qualifications and expertise in both scientific and non-scientific disciplines including nuclear medicine; nuclear cardiology; radiation therapy; medical physics; nuclear pharmacy; State medical regulation; patient's rights and care; health care administration; and Food and Drug Administration regulation.

CONTACT INFORMATION: Kellee Jamerson, Office of Nuclear Material Safety and Safeguards, U.S. Nuclear Regulatory Commission, Washington, DC 20555; Telephone: (301) 415-7408 or at kellee.jamerson@nrc.gov.

Dated: February 28, 2020.

Russell E. Chazell,

Federal Advisory Committee Management Officer.
