

ADDRESSES section of this notice or by telephone at the number listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice by the date specified in the **DATES** section of this notice. This meeting will be held in a federal government building, the Hubert H. Humphrey (HHH) Building; therefore, federal security measures are applicable.

The REAL ID Act of 2005 (Pub. L. 109–13) establishes minimum standards for the issuance of state-issued driver's licenses and identification (ID) cards. It prohibits federal agencies from accepting an official driver's license or ID card from a state for any official purpose unless the Secretary of the Department of Homeland Security determines that the state meets these standards. Beginning October 2015, photo IDs (such as a valid driver's license) issued by a state or territory not in compliance with the Real ID Act will not be accepted as identification to enter federal buildings. Visitors from these states/territories will need to provide alternative proof of identification (such as a valid passport) to gain entrance into federal buildings. The current list of states from which a federal agency may accept driver's licenses for an official purpose is found at <http://www.dhs.gov/real-id-enforcement-brief>.

We recommend that confirmed registrants arrive reasonably early, but no earlier than 45 minutes prior to the start of the meeting, to allow additional time to clear security. Security measures include the following:

- Presentation of a government-issued photographic identification to the Federal Protective Service or Guard Service personnel.
- Inspection, via metal detector or other applicable means, of all persons entering the building. We note that all items brought into HHH Building, whether personal or for the purpose of presentation or to support a presentation, are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set up, safety, or timely arrival of any personal belongings or items used for presentation or to support a presentation.

Note: Individuals who are not registered in advance will not be permitted to enter the building and will be unable to attend the meeting.

SUPPLEMENTARY INFORMATION: In compliance with 44 U.S.C. 3507, ACL has submitted the following proposed collection of information to OMB for review and clearance. The Act of 1973 requires three Independent Living program reports: (1) State Plan for Independent Living, (2) ILS PPR, and (3) Center for Independent Living (CIL) PPR. The ILS PPR and CIL PPR were previously combined into one submission. However, for the purposes of this data collection, the ILS PPR and CIL PPR are being submitted separately because they are separate collections of different information from different parties. Separating these PRA processes reduces confusion and increases the Independent Living Administration's (ILA) ability to identify issues specific to designated state entities (DSEs) and Statewide Independent Living Councils (SILCs). This request is for the ILS PPR, which is submitted annually by the SILC and DSE in every state that receives Subchapter B funds. The ILS PPRs are used by ACL to assess grantees' compliance with title VII of the Rehabilitation Act of 1973, as amended, with 45 CFR part 1329 of the Code of Federal Regulations, and with applicable provisions of the HHS Regulations at 45 CFR part 75. The ILS PPR serves as the primary basis for ACL's monitoring activities in fulfillment of its responsibilities under sections 706 and 722 of the Act. The PPR is also used by ACL to design CIL and SILC training and technical assistance programs authorized by section 721 of the Act. The data is also used to meet the requirements of GPRAMA regarding performance measures. 31 U.S.C. 1115 (2011).

The current version of the ILS PPR that ILA is requesting an extension for was approved by OMB, but will expire on December 31, 2018. ILA plans to substantively review the data collection and publish a revised ILS program data collection instrument before the expiration of the extension request.

The proposed data collection tools may be found on the ACL website for review at <https://www.acl.gov/about-acl/public-input>.

Comments in Response to the 60-Day Federal Register Notice

A notice was published in the **Federal Register** on October 19, 2018 (Vol. 83, Number 2018–22751; pp. 53062–53063).

Data collection form	Comment	ACL response
One commenter asked whether ACL intends for states to use the new ILS PPR for the report that will be due in January 2019.	ACL does not intend for states to use the new ILS PPR for the report that will be due in January 2019.	No change has been made.
One commenter asked whether ACL has an update on the publication of the revised CIL indicators.	ACL is updating the CIL indicators and expects to complete them by the extension's end.	No change has been made.
One commenter asked whether there are other email lists related to IL services policies or programs that ACL has that DSEs could benefit from.	ACL knows of no other email lists related to IL services policies or programs that DSEs could benefit from being added to; the commenter might benefit from information provided by ILRU, the training and technical-assistance provider.	No change has been made.

The proposed form(s) may be found on the ACL website at <https://www.acl.gov/about-acl/public-input>.

Estimated Program Burden

ACL estimates the burden of this collection of information as follows:

Fifty-six jurisdictions—specifically, the fifty states, Puerto Rico, the District of Columbia, and the outlying areas—will each complete ILS PPRs annually, and it will take an estimated thirty-five hours per jurisdiction per ILS PPR. The fifty-six jurisdictions will take an

estimated 1,960 hours per year to complete ILS PPRs. This burden estimate is based on what DSEs and SILCs have told ILA about how long filling out ILS PPRs took in previous reporting years.

Respondent/data collection activity	Number of respondents	Responses per respondent	Hours per response	Annual burden hours
SILCs and DSEs	56	1	35	1,960

Dated: December 18, 2018.

Mary Lazare,

Principal Deputy Administrator.

The Elder Justice Act of 2009 requires the Secretary of the U.S. Department of Health and Human Services to carry out a number of activities related to adult protective services (APS) (42 U.S.C. 1397m–1), including developing and disseminating information on APS best practices and conducting research related to the provision of APS. Furthermore, the Elder Justice Coordinating Council included as its third recommendation for increasing federal involvement in addressing elder abuse, neglect, and exploitation: “develop a national APS system based upon standardized data collection and a core set of service provision standards and best practices.”

As part of this evaluation, the APS Practice Survey will identify barriers to meeting policy mandates and practice innovations and model programs that address such barriers and community-
