Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:
Rule 34b-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 34b-1 under the Investment Company Act (17 CFR 270.34b-1) governs sales material that accompanies or follows the delivery of a statutory prospectus ("sales literature"). Rule 34b-1 deems to be materially misleading any investment company ("fund") sales literature required to be filed with the Securities and Exchange Commission ("Commission") by Section 24(b) of the Investment Company Act (15 U.S.C. 80a-24(b)) that includes performance data, unless the sales literature also includes the appropriate uniformly computed data and the legend disclosure required in investment company advertisements by rule 482 under the Securities Act of 1933 (17 CFR 230.482). Requiring the inclusion of such standardized performance data in sales literature is designed to prevent misleading performance claims by funds and to enable investors to make meaningful comparisons among funds.

The Commission estimates that on average approximately 351 respondents file 7,362¹ responses that include the information required by rule 34b-1 each year. The burden resulting from the collection of information requirements of rule 34b-1 is estimated to be 6 hours per response. The total hourly burden for rule 34b-1 is approximately 46,278 hours per year in the aggregate.²

¹ The estimated number of responses to rule 34b-1 is composed of 7,362 responses filed with FINRA and 351 responses filed with the Commission in 2019.

² 7,713 responses × 6 hours per response = 46,278 hours.

The collection of information under rule 34b-1 is mandatory. The information provided under rule 34b-1 is not kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proposed performance of the functions of the agency, including whether information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, C/O Cynthia Roscoe, 100 F Street NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: January 5, 2021.

Assistant Secretary.
