

notice that the inventory is available to the public.”

Consequently, through this notice, we are announcing that OSC’s service contract inventory for FY 2014 is available to the public. The inventory provides information on service contract actions over \$25,000 that OSC made in FY 2014. OSC’s finance section has posted its inventory, and a summary of the inventory can be found at our homepage at the following link: <https://osc.gov/Pages/Resources-ReportsAndInfo.aspx>.

Dated: June 15, 2015.

Mark P. Cohen,

Principal Deputy Special Counsel.

OFFICE OF SPECIAL COUNSEL

Survey Renewal for FY 2015—Request for Comment

AGENCY: Office of Special Counsel.

ACTION: First Notice for public comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), and implementing regulations at 5 CFR part 1320, the U.S. Office of Special Counsel (OSC), plans to request approval from the Office of Management and Budget (OMB) for use of a previously approved information collection consisting of an electronic survey form. The current OMB approval for the OSC Survey expires 10/31/15. We are submitting the electronic survey for renewal, based on its pending expiration. There are several changes being submitted with this request for renewal of the use of the OSC survey. Current and former Federal employees, employee representatives, other Federal agencies, state and local government employees, and the general public are invited to comment on this for the first time. Comments are invited on: (a) Whether the proposed collection consisting of our survey is necessary for the proper performance of OSC functions, including whether the information will have practical utility; (b) the accuracy of OSC’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments should be received by August 31, 2015.

FOR FURTHER INFORMATION CONTACT: Karl Kammann, Director of Finance, at the address shown above; by facsimile at (202) 254–3711.

SUPPLEMENTARY INFORMATION: OSC is an independent agency responsible for, among other things, (1) investigation of allegations of prohibited personnel practices defined by law at 5 U.S.C. 2302(b), protection of whistleblowers, and certain other illegal employment practices under titles 5 and 38 of the U.S. Code, affecting current or former Federal employees or applicants for employment, and covered state and local government employees; and (2) the interpretation and enforcement of Hatch Act provisions on political activity in chapters 15 and 73 of title 5 of the U.S. Code.

Title of Collection: Office of Special Counsel (OSC) Annual Survey; OMB Control Number 3255–0003, Expiration 10/31/2015.

OSC is required to conduct an annual survey of individuals who seek its assistance. Section 13 of Public Law 103–424 (1994), codified at 5 U.S.C. 1212 note, states, in part: “[T]he survey shall—(1) Determine if the individual seeking assistance was fully apprised of their rights; (2) determine whether the individual was successful either at the Office of Special Counsel or the Merit Systems Protection Board; and (3) determine if the individual, whether successful or not, was satisfied with the treatment received from the Office of Special Counsel.” The same section also provides that survey results are to be published in OSC’s annual reports to Congress. Copies of prior years’ annual reports are available on OSC’s Web site, at <https://osc.gov/Pages/Resources-ReportsAndInfo.aspx> or by calling OSC at (202) 254–3600. The survey form for the collection of information is available by calling OSC at (202) 254–3600.

Type of Information Collection Request: Approval of previously approved collection of information that expires on 10/31/2015, with some revisions. The Disclosure Unit was added for the first time to the electronic survey of individuals with cases resolved in FY 2014. The second major change is that the survey is hosted by Survey Monkey, (<https://www.surveymonkey.com>) rather than being an in-house supported IT tool. A future enhancement will add an additional question to the survey about the user’s experience with our new OSC Form 14 Wizard and electronic complaint form, which is currently in development.

Affected public: Current and former Federal employees, applicants for

Federal employment, state and local government employees, and their representatives, and the general public.

Respondent’s Obligation: Voluntary
Estimated Annual Number of Survey Form Respondents: 320.

Frequency of Survey form use: Annual.

Estimated Average Amount of Time for a Person To Respond to survey: 12 minutes.

Estimated Annual Survey Burden: 109 hours.

This survey form is used to survey current and former Federal employees and applicants for Federal employment who have submitted allegations of possible prohibited personnel practices or other prohibited activity for investigation and possible prosecution by OSC, and whose matter has been closed or otherwise resolved during the prior fiscal year, on their experience at OSC. Specifically, the survey asks questions relating to whether the respondent was: (1) Apprised of his or her rights; (2) successful at the OSC or at the Merit Systems Protection Board; and (3) satisfied with the treatment received at the OSC.

Dated: June 15, 2015.

Carolyn N. Lerner,

Special Counsel.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Docket No. FAA–2015–1497; Airspace Docket No. 15–AWA–4]

RIN 2120–AA66

Designation of Oceanic Airspace

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of provision of air traffic services in oceanic airspace.

SUMMARY: By this action the FAA informs airspace users of the type of air traffic control (ATC) service provided in the oceanic airspace controlled by the United States of America (U.S.). This notice is consistent with U.S. obligations under the Convention on International Civil Aviation (Chicago Convention), including, that all Contracting States disseminate information regarding the types of ATC services provided in oceanic airspace under their control.
