SOCIAL SECURITY ADMINISTRATION

Privacy Act of 1974 as Amended; Computer Matching Program (SSA/ Department of Homeland Security Number 1010)

AGENCY: Social Security Administration (SSA).

ACTION: Notice of a renewal of a computer matching program.

SUMMARY: In accordance with the provisions of the Privacy Act, as amended, this notice announces a renewal of a computer matching program that SSA will conduct with DHS.

DATES: SSA will file a report of the subject matching program with the Committee on Governmental Affairs of the Senate, the Committee on Government Reform of the House of Representatives and the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). The matching program will be effective as indicated below.

ADDRESSES: Interested parties may comment on this notice either by telefax to (410) 965-8582 or writing to the Associate Commissioner for Income Security Programs, 245 Altmeyer Building, 6401 Security Boulevard, Baltimore, MD 21235-6401. All comments received will be available for public inspection at this address.

FOR FURTHER INFORMATION CONTACT: The Associate Commissioner for Income Security Programs as shown above.

SUPPLEMENTARY INFORMATION:

A. General

The Computer Matching and Privacy Protection Act of 1988 (Public Law (Pub. L.) 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the manner in which computer matching involving Federal agencies could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. It requires Federal agencies involved in computer matching programs to:

- (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;
- (2) Obtain the approval of the Data Matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;
- (3) Publish notice of the computer matching program in the **Federal Register**;
- (4) Furnish detailed reports about matching programs to Congress and OMB;
- (5) Notify applicants and beneficiaries that their records are subject to matching; and
- (6) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of SSA's computer matching programs comply with the requirements of the Privacy Act, as amended.

Dated: June 9, 2004.

Martin H. Gerry,

Deputy Commissioner for Disability and Income Security Programs.

Notice of Computer Matching Program, Social Security Administration (SSA) with the Department of Homeland Security (DHS).

A. Participating Agencies

SSA and DHS.

B. Purpose of the Matching Program

The purpose of this matching program is to establish conditions under which DHS agrees to the disclosure of information regarding certain aliens who may, as a result of their current and

planned absences from the United States, be subject to nonpayment of benefits in programs administered by SSA. The disclosure will provide SSA with information useful in determining claim and benefit status under both Title II and Title XVI of the Social Security Act governing Social Security Retirement, Survivors and Disability Insurance Benefits, and Supplemental Security Income, as certain persons who are outside the United States or similarly lack appropriate statutorily specified residency and citizenship/alienage status may not be paid benefits under specific statutory provisions of those titles.

C. Authority for Conducting the Matching Program

This matching operation is carried out under the authority of sections 202(n), 1611(f), and 1614(a)(1) of the Act (42 U.S.C 402(n), 1382(f) and 1382c(a)(1)) and 8 U.S.C. 1611 and 1612. Section 1631(e)(1)(B) of the Act (42 U.S.C. 1383(e)(1)(B)) requires SSA to verify declarations of applicants for and recipients of SSI payments before making a determination of eligibility or payment amount. Section 1631(f) of the Act (42 U.S.C. 1383(f)) requires Federal agencies to provide SSA with information necessary to verify SSI eligibility or benefit amounts or to verify other information related to these determinations. In addition, section 202(n)(2) of the Act specifies that the "Secretary Of [the Department of] Homeland Security" notify the Commissioner of Social Security when individuals are deported under specified provisions of section 237(a) of the Immigration and Nationality Act.

Categories of Records and Individuals Covered by the Matching Agreement

DHS will disclose to SSA two data files as described below:

1. Aliens Who Leave the United States Voluntarily

DHS will provide SSA with two electronic files. DHS will provide SSA with an electronic file from its Computer Linked Application Information Management System (CLAIMS) Justice/INS 013 system of records most recently published at 62 FR 59734, dated 11/04/97 which is electronically formatted for transmission to SSA. CLAIMS contains information on resident aliens who are SSI recipients and who have left or plan to leave the United States for any period of 30 consecutive days. SSA will then match the DHS CLAIMS data with: (1) Social Security Number (SSN) applicant and holder information maintained in

SSA's Master Files of Social Security Number (SSN) Holders and SSN Applications, SSA/OEEAS 60-0058 most recently published at 65 FR 66279 dated 11/03/2000); and, the SSA's Supplemental Security Income Record and Special Veterans Benefits (SSR) most recently published at 66 FR 11079 SSA/OEEAS 60-0103 dated 02/21/2001.

2. Aliens Who Are Deported From the United States

DHS will also provide SSA with an electronic file containing information on deported number holders from its Deportable Alien Control System (DACS) (Justice/INS-012, full text published at 65 FR 46738, dated 07/31/2000, modified at 66 FR 66712, dated 01/22/2001), electronically formatted for transmission to SSA. DACS will eventually be succeeded by the Enforce Removal Module (EREM). After such transition, EREM will be the system of records used in the match. SSA will then match the DHS EREM data with: SSN applicant and holder information maintained in SSA's Master Files of Social Security Number (SSN) Holders and SSN Applications SSA/OEES 09-60-0058 published at 65 FR 66279 (11/03/00), the Master Beneficiary Record SSA/OEEAS 09-60-0090, most recently published at 66 FR 11080, dated 02/21/2001); and the Supplemental Security Record.

Inclusive Dates of the Match

The matching agreement for this program shall become effective no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget (OMB) or 30 days after publication of this notice in the **Federal Register** whichever is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
