

be visible on the outside of any package sent by mail (section 2(b) of the Act). This proposed rule would revise the Agency regulations under the Privacy Act (41 CFR part 105–64), consistent with these requirements in the Act. The proposed revisions would clarify the language of procedural requirements pertaining to the inclusion of SSNs on documents that the Agency sends by mail.

II. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993.

III. Congressional Review Act

The Office of Information and Regulatory Affairs (OIRA) has determined that this rule is not a major rule under 5 U.S.C. 804(2). Subtitle E of the Small Business Regulatory Enforcement Fairness Act of 1996 (codified at 5 U.S.C. 801–808), also known as the Congressional Review Act or CRA, generally provides that before a “major rule” may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. The General Services Administration will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States. A major rule under the CRA cannot take effect until 60 days after it is published in the **Federal Register**.

IV. Regulatory Flexibility Act

GSA does not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* This rule does not impose a requirement for small businesses to report or keep records on any of the requirements contained in this rule.

Therefore, an Initial Regulatory Flexibility Analysis has not been

performed. GSA invites comments from small business concerns and other interested parties on the expected impact of this rule on small entities.

GSA will also consider comments from small entities concerning the existing regulations in subparts affected by the rule in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 610 (GSPMR Case 2022–105–1), in correspondence.

V. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the GSA–IDE do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget (OMB) under 44 U.S.C. 3501, *et seq.*

Acting Chief Privacy Officer, Office of the Deputy Chief Information Officer, General Services Administration.

Therefore, GSA proposes to amend 41 CFR part 105–64 as set forth below:

PART 105–64—GSA PRIVACY ACT RULES

- 1. The authority citation for 41 CFR part 105–64 continues to read as follows:

Authority: 5 U.S.C. 552a.

- 2. Amend § 105–64.001 by adding in alphabetical order the definition “Un-redacted SSN Mailed Documents Listing” to read as follows:

§ 105–64.001 What terms are defined in this part?

* * * * *

Un-redacted SSN Mailed Documents Listing (USMDL) means the Agency approved list, as posted at [GSA PRIVACY WEBSITE], designating those documents for which the inclusion of the Social Security account number (SSN) is determined to be necessary to fulfill a compelling Agency business need when the documents are requested by individuals outside the Agency or other Federal agencies, as determined by the Administrator or their designee.

- 3. Amend § 105–64.107 by adding paragraph (c) to read as follows:

§ 105–64.107 What standards of conduct apply to employees with privacy-related responsibilities?

* * * * *

(c) In all documents sent by mail, employees shall redact SSNs if such

redaction is permissible. Where full redaction is not possible due to agency requirements, partial redaction to create a truncated SSN shall be preferred to no redaction. The following conditions must be met for the inclusion of an unredacted (full) SSN or partially redacted (truncated) SSN on any document sent by mail on behalf of the agency:

(1) The inclusion of the full SSN or truncated SSN of an individual must be required or authorized by law;

(2) The inclusion of the full SSN or truncated SSN of an individual must be determined by the Administrator or their designee to be necessary to fulfill a compelling Administration business need;

(3) The full SSN of an individual may be included only on documents listed on the USMDL; and

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[MB Docket No. 22–347; RM–11932; DA 22–1009; FR ID–106914]

Television Broadcasting Services Lincoln, Nebraska

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: The Commission has before it a petition for rulemaking filed by The University of Nebraska (Petitioner), the licensee of noncommercial educational television station KUON–TV, channel *12, Lincoln, Nebraska. The Petitioner requests the substitution of channel *27 for channel *12 at Lincoln in the Table of TV Allotments.

DATES: Comments must be filed on or before November 7, 2022 and reply comments on or before November 21, 2022.

ADDRESSES: Federal Communications Commission, Office of the Secretary, 45 L Street NE, Washington, DC 20554. In addition to filing comments with the FCC, interested parties should serve counsel for the Petitioner as follows: Derek Teslik, Esq., Gray Miller Persh, 2233 Wisconsin Avenue NW, Washington, DC 20007.

FOR FURTHER INFORMATION CONTACT: Joyce Bernstein, Media Bureau, at (202)

418–1647; or Joyce Bernstein, Media Bureau, at Joyce.Bernstein@fcc.gov.

SUPPLEMENTARY INFORMATION: In support, the Petitioner states that the proposed channel substitution would serve the public interest, since moving the Station to a UHF channel would improve indoor reception. In support of its assertion that viewers in Lincoln have experienced difficulty receiving a signal on channel *12, the Petitioner submits a log of approximately 80 viewer complaints and requests for help receiving the signal. According to the Petitioner, although the proposed channel *27 facilities will result in a reduction in the Station's predicted population served within its noise limited service contour, almost all of the predicted loss area is served by other PBS stations licensed to communities in Nebraska and Iowa, which largely air the same programming as KUON-TV. The Petitioner further states that once terrain-limitations are factored into the analysis, the new loss area that would be created by the proposed channel substitution would contain only 342 persons, which it asserts is below the level the Commission considers *de minimis* in the context of determining whether there would be an impermissible loss of service.

This is a synopsis of the Commission's *Notice of Proposed Rulemaking*, MB Docket No. 22–347; RM–11932; DA 22–1009, adopted September 26, 2022, and released September 26, 2022. This document does not contain information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104–13. In addition, therefore, it does not contain any proposed information collection burden “for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4). Provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, do not apply to this proceeding.

Members of the public should note that all *ex parte* contacts are prohibited from the time a Notice of Proposed Rulemaking is issued to the time the matter is no longer subject to Commission consideration or court review, *see* 47 CFR 1.1208. There are,

Endangered and Threatened Wildlife and Plants; Endangered Species Status for the San Francisco Bay-Delta Distinct Population Segment of the Longfin Smelt

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), propose to list the San Francisco Bay-Delta distinct population segment (DPS) of longfin smelt (*Spirinchus thaleichthys*) (Bay-Delta longfin smelt), a fish species of the Pacific Coast, as an endangered species under the Endangered Species Act of 1973, as amended (Act). After a review of the best scientific and commercial information available, we find that listing the DPS is warranted. Accordingly, we propose to list the Bay-Delta longfin smelt DPS as an endangered species under the Act. If we finalize this rule as proposed, it would add this DPS to the List of Endangered and Threatened Wildlife and extend the Act's protections to the DPS. We also find that the designation of critical habitat for the Bay-Delta longfin smelt is not determinable at this time.

DATES: We will accept comments received or postmarked on or before December 6, 2022. Comments submitted electronically using the Federal eRulemaking Portal (see **ADDRESSES**, below) must be received by 11:59 p.m. Eastern Time on the closing date.

We must receive requests for a public hearing, in writing, at the address shown in **FOR FURTHER INFORMATION CONTACT** by November 21, 2022.
