NUCLEAR REGULATORY COMMISSION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: U.S. Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection request to OMB and solicitation of public comment.

SUMMARY: The NRC is preparing a submittal to OMB for review of continued approval of information collections under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR Part 63—Disposal of High-Level Radioactive Wastes in a Proposed Geologic Repository at Yucca Mountain, Nevada.

2. *Current OMB approval number:* 3150-0199.

3. *How often the collection is required:* One time.

4. *Who is required or asked to report:* The State of Nevada, local governments, or affected Indian Tribes, or their representatives, requesting consultation with the NRC staff regarding review of the potential high-level waste geologic repository site, or wishing to participate in a license application review for the potential geologic repository.

5. *The estimated number of annual respondents:* 3.

6. *The number of hours needed annually to complete the requirement or request:* 363 (An average of 40 hours per response for consultation requests, 80 hours per response for license

application review participation proposals, and one hour per response for statements of representative authority).

7. *Abstract:* 10 CFR Part 63 requires the State of Nevada, local governments, or affected Indian Tribes to submit certain information to the NRC if they request consultation with the NRC staff concerning the review of the potential repository site, or wish to participate in a license application review for the potential repository. Representatives of the State of Nevada, local governments, or affected Indian Tribes must submit a statement of their authority to act in such a representative capacity. The information submitted by the State, local governments, and affected Indian Tribes is used by the Director of the Office of Nuclear Material Safety and Safeguards as a basis for decisions about the commitment of NRC staff resources to the consultation and participation efforts.

Submit, by July 19, 2004, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

A copy of the draft supporting statement may be viewed free of charge at the NRC Public Document Room, One White Flint North, 11555 Rockville Pike, Room O-1 F21, Rockville, MD 20852. OMB clearance requests are available at the NRC worldwide Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/index.html>. The document will be available on the NRC home page site for 60 days after the signature date of this notice.

Comments and questions about the information collection requirements may be directed to the NRC Clearance Officer, Brenda Jo. Shelton, (T-5 F52), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, by telephone at 301-415-7233, or by Internet electronic mail to INFOCOLLECTS@NRC.GOV.

Dated at Rockville, Maryland, this 12th day of May, 2004.
