

to participate in the NEPA process as a cooperating agency as provided for in 40 CFR 1501.6 and 1508.5 by virtue of its special expertise, as defined in 40 CFR 1508.26, may be a cooperating agency. Any non-Federal agency (State, tribal, or local) with similar qualifications may by agreement be a cooperating agency. Bureaus will consult with the Solicitor's Office in cases where such non-Federal agencies are also applicants before the Department to determine relative lead/cooperating agency responsibilities. (CEQ guidance to agencies dated July 28, 1999, and January 30, 2002, urges agencies to more actively solicit participation of Federal, State, tribal, and local governments as cooperating agencies.)

D. Bureaus will invite governmental entities that are qualified to participate as cooperating agencies when the bureau is developing an environmental impact statement in accordance with the requirements of NEPA and the CEQ regulations. Bureaus will also consider any requests by eligible governmental entities to participate as a cooperating agency with respect to a particular environmental impact statement, and will either accept or deny such requests. If such a request is denied, bureaus will respond in writing to the requestor and provide a summary of the request and reasons for such denial within the environmental impact statement.

E. Throughout the development of an environmental impact statement, the bureau will collaborate, to the fullest extent practicable, with all cooperating agencies, concerning those issues relating to their jurisdiction and/or special expertise. Collaboration will be to:

- (1) identify issues to be addressed in the environmental impact statement;
- (2) arrange for the collection and/or assembly of necessary resource, environmental, social, economic, and institutional data;
- (3) analyze data;
- (4) develop alternatives;
- (5) evaluate alternatives and estimate the effects of implementing each alternative; and
- (6) carry out any other task necessary for the development of the environmental impact statement.

F. Bureaus and governmental entities that are potential cooperating agencies are required to express in a memorandum of understanding their respective roles, assignment of issues, schedules, and staff commitments so that the process of preparing an environmental impact statement remains on track and within the time schedule.
