The grantee's proposed service area under the ASF would be the City of Baltimore and the Counties of Anne Arundel, Baltimore, Cecil and Harford, Maryland. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Baltimore Customs and Border Protection port of entry. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 74's authorized subzones.

The applicant is requesting authority to reorganize and expand its existing zone project under the ASF as follows: remove Sites 1, 3, 5, 10, 11 and 14 due to changed circumstances; expand the boundaries of Sites 4, 16 and 17; reduce the boundaries of Sites 2, 6, 7, 8, 12 and 13; and, redesignate a 20-acre portion of Site 8 as Site 25. Sites 2, 4 and 16 would become "magnet" sites and Sites 6–9, 12, 13, 15 and 17–25 would become "usage-driven" sites. The companies located at the "usage-driven" sites are: Trade Zone Operations (Site 6); C.

Steinweg (Baltimore) (Sites 7 & 15); Rukert Terminals (Site 8); Belt's Corporation (Site 9); Henry Bath (Site 12); Under Armour (Site 13); Pacorini Metals (Sites 17 & 25); Ruxton Services (Sites 18 & 19); S.H. Bell Company Baltimore (Sites 20 & 21); Overflow Warehouse (Site 22); White Marsh Transport (Site 23); and Edgemere Terminals (Site 24).

The applicant is also requesting approval of a new "magnet" site and four new "usage-driven" sites: *Proposed Site 26* (146 acres)—Sparrows Point Shipyard, 600 Shipyard Road, Baltimore (Baltimore County); *Proposed Site 27* (2.3 acres)—J. D. Neuhaus, LP, 9 Loveton Circle, Sparks (Baltimore County); *Proposed Site 28* (2.5 acres)—McCormick & Company, Inc., 11102 McCormick Road, Hunt Valley (Baltimore County); *Proposed Site 29* (17.6 acres)—McCormick & Company, Inc., 10901 Gilroy Road, Hunt Valley (Baltimore County); and, *Proposed Site 30* (8.48 acres)—McCormick & Company, Inc., 4607 Appliance Drive, Belcamp (Harford County).

In accordance with the Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

The closing period for their receipt is October 31, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 31, 2011.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the preliminary results of the administrative review of certain frozen warmwater shrimp from the People's Republic of China ("PRC"). The review covers the period February 1, 2010, through January 31, 2011.

DATES: *Effective Date:* August 16, 2011.

FOR FURTHER INFORMATION CONTACT: Bob Palmer or Kabir Archuleta, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–9068 or (202) 482–2593, respectively.

Background

On March 31, 2011, the Department published in the **Federal Register** a notice of initiation of the administrative review of the antidumping duty order on certain frozen warmwater shrimp from the PRC. *See Initiation of Antidumping Administrative Reviews, Requests for Revocation in Part, and Deferral of Administrative Review*, 76 FR 17825 (March 31, 2011). The preliminary results of the review are currently due no later than October 31, 2011.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. Consistent with section 751(a)(3)(A) of the Act, the Department may extend the 245-day period to 365 days if it is not practicable to complete the review within a 245-day period.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of the administrative review on certain frozen warmwater shrimp from the PRC

within the original time limit because the Department requires additional time to analyze questionnaire responses, issue supplemental questionnaires, and to evaluate surrogate value and surrogate county submissions for purposes of these preliminary results.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the preliminary results of the administrative review by 120 days. The preliminary results will now be due no later than February 28, 2012. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: August 10, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
