

1930 (“the Act”), that revocation of the antidumping duty order on steel threaded rod from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted this review on July 1, 2019 (84 FR 31341) and determined on October 4, 2019 that it would conduct an expedited review (85 FR 2147, January 14, 2020).

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on February 20, 2020. The views of the Commission are contained in USITC Publication 5019 (February 2020), entitled *Steel Threaded Rod from China: Investigation No. 731-TA-1145 (Second Review)*.

By order of the Commission.

Issued: February 21, 2020.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1435-1436 and 1439 (Final)]

Acetone From Belgium, Korea, and South Africa; Supplemental Schedule for the Final Phase of Antidumping Duty Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: December 10, 2019.

FOR FURTHER INFORMATION CONTACT: Abu B. Kanu ((202) 205-2597), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on (202) 205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: Effective July 29, 2019, the Commission established a general schedule for the conduct of the final phase of its investigations on acetone from Belgium, Korea, Singapore, South Africa, and Spain,¹ following a preliminary determination by the U.S. Department of Commerce (“Commerce”) that imports of acetone from Belgium, Korea, Singapore, South Africa, and Spain were being sold at less than fair value (LTFV) in the United States.² Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of August 26, 2019 (84 FR 44635). The hearing was held in Washington, DC, on October 21, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel. On October 21, 2019, Commerce issued a final affirmative determination of sales at LTFV with respect to imports of acetone from Singapore and Spain.³ The Commission issued its final affirmative determination regarding LTFV imports of acetone from Singapore and Spain on December 5, 2019.

On February 13, 2020, Commerce issued its final affirmative determinations that imports of acetone from Belgium, Korea, and South Africa were being sold at LTFV in the United States.⁴ Accordingly, the Commission currently is issuing a supplemental schedule for its antidumping investigations on imports of acetone from Belgium, Korea, and South Africa.

This supplemental schedule is as follows: The deadline for filing supplemental party comments on Commerce’s final antidumping duty determination is February 28, 2020. Supplemental party comments may address only Commerce’s final antidumping duty determination regarding imports of acetone from Belgium, Korea, and South Africa. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of these investigations regarding subject imports from Belgium, Korea, and South Africa

will be placed in the nonpublic record on March 10, 2020; and a public version will be issued thereafter.

For further information concerning these investigations see the Commission’s notice cited above and the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission’s rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission’s rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission’s rules.

By order of the Commission.

Issued: February 20, 2020.

Katherine Hiner,

Supervisory Attorney.

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Request for State or Federal Workers' Compensation Information. Division of Coal Mine Workers' Compensation (DCMWC) beneficiaries have their monthly benefits reduced dollar for dollar for other benefits that they receive attributable to their black lung disability from State or Federal workers' benefits. The CM-905 request the amount of those workers' compensation benefits. This information collection is a revision, because Minor changes have been made to CM-905. Description of changes: Eliminated requirement for the miner's full social security number and requiring only the last four digits, added two options to file this form (mail or electronically submit through the COAL Mine Portal), provided updated language for the Privacy Act Statement, and provided updated language for the Notice.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0032. The current approval is scheduled to expire on February 29, 2020 however, the DOL notes that existing information collection requirements submitted to the OMB will receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 25, 2019 (84 FR 64935).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty-(30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0032. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: DOL-OWCP.
