Subsequently, in FY 2010, Congress appropriated \$34,532,000 for the Program, and directed that \$24,519,200 go to 27 specifically enumerated projects. FRA combined the remaining \$10,012,800 with \$589,700 that was not awarded from the FY 2008 competition, \$2,000,000 that was awarded to one of the FY 2008 projects but which the project sponsors ultimately turned

down, and the \$7,900,000 in FY 2009 discretionary funding for a total of \$20,502,500. These funds were the subject of a Notice of Funding Availability FRA published in the Federal Register on September 10, 2010. The application period closed on October 29, 2010, and FRA is currently evaluating applications submitted. The information collected will be used by FRA to determine whether or not it is appropriate to provide financial

assistance to State and local governments looking to undertake either rail relocation or rail improvement projects.
