**RAILROAD RETIREMENT BOARD**

**Proposed Collection; Comment Request**

In accordance with the requirement of section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections. *Comments are invited on:* (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB’s estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. *Title and purpose of information collection:* Application and Claim for Unemployment Benefits and Employment Service; OMB 3220–0022.

Section 2 of the Railroad Unemployment Insurance Act (RUIA) (45 U.S.C. 231), provides unemployment benefits for qualified railroad employees. These benefits are

generally payable for each day of unemployment in excess of four during a registration period (normally a period of 14 days).

Section 12 of the RUIA provides that the RRB establish, maintain and operate free employment facilities directed toward the reemployment of railroad employees. The procedures for applying for the unemployment benefits and employment service and for registering and claiming the benefits are prescribed in 20 CFR 325. 20 CFR 321 provides for applying and filing claims for unemployment benefits electronically.

The RRB utilizes the following forms to collect the information necessary to pay unemployment benefits. Form UI–1 (or its internet equivalent, Form UI–1 (internet)), *Application for Unemployment Benefits and Employment Service*, is completed by a claimant for unemployment benefits once in a benefit year, at the time of first registration. Completion of Form UI–1 or UI–1 (internet) also registers an unemployment claimant for the RRB’s employment service.

The RRB also utilizes Form UI–3 (or its internet equivalent Form UI–3 (internet)), *Claim for Unemployment Benefits*, for use in claiming unemployment benefits for days of unemployment in a particular registration period, normally a period of 14 days.

Completion of Forms UI–1, UI–1 (internet), UI–3, and UI–3 (internet) is required to obtain or retain benefits. The number of responses required of each claimant varies, depending on their period of unemployment. The RRB proposes no changes to the forms in this information collection.

**ESTIMATE OF ANNUAL RESPONDENT BURDEN**

Form No.	Annual responses	Time (minutes)	Burden (hours)
UI–1 .....	2,118	10	353
UI–1 (Internet) .....	7,549	10	1,258
UI–3 .....	23,724	6	2,372
UI–3 (Internet) .....	82,027	6	8,203
<b>Total .....</b>	<b>115,418</b>	<b>.....</b>	<b>12,186</b>

2. *Title and purpose of information collection:* Placement Service; OMB 3220–0057.

Section 12(i) of the Railroad Unemployment Insurance Act (RUIA) (45 U.S.C. 362), authorizes the RRB to establish, maintain, and operate free employment offices to provide claimants for unemployment benefits with job placement opportunities.

Section 704(d) of the Regional Railroad Reorganization Act of 1973, as amended, and as extended by the Consolidated Omnibus Budget Reconciliation Act of 1985, required the RRB to maintain and distribute a list of railroad job vacancies, by class and craft, based on information furnished by rail carriers to the RRB. Although the requirement under the law expired

effective August 13, 1987, the RRB has continued to obtain this information in keeping with its employment service responsibilities under section 12(k) of the RUIA. Application procedures for the job placement program are prescribed in 20 CFR 325. The procedures pertaining to the RRB’s obtaining and distributing job vacancy
