On September 23, 2016, and supplemented on March 1, 2017, and June 23, 2017, PacifiCorp and the Klamath River Renewal Corporation (Renewal Corporation) filed an application to amend the existing Klamath Project No. 2082 to administratively remove the J.C. Boyle, Copco No. 1, Copco No. 2, and Iron Gate developments from the license and create a new project, the Lower Klamath Project No. 14803, for those developments. The applicants also request the Lower Klamath Project be transferred to the Renewal Corporation which, if the Commission were to approve its surrender application in a separate proceeding, would then

surrender the project license and remove the above four developments.
