

techniques or other forms of information technology that will reduce respondent burden (e.g., permitting electronic submission of responses).

This Notice also lists the following information:

Title of Proposal: Study of the HUD Service Coordinator Program.

Description of the need for the information and proposed use: The Department does not know the extent of properties with HUD Service Coordinator Grants. This research effort will provide important information about the extent and impact of the Service Coordinator Program that is not otherwise available from HUD records. This research serves two purposes. First, through developing an estimate of the number of eligible projects that actually have service coordinators. This study will assess the availability of service coordinators for residents of Multifamily assisted housing. Second, to better understand what difference service coordination makes in providing supportive services to elderly and non-elderly people with disabilities living in HUD-assisted housing. This study will provide some evidence of the importance of service coordinators for improving the ability to age in place. This study will provide a comparison of satisfaction with provisions of service coordination in HUD Multifamily-assisted properties that do or do not participate in the Service Coordinator Program.

Members of the affected public: This information collection involves a telephone survey of Multifamily property managers. The survey will be administered to a statistical sample of properties that are eligible for the Service Coordinator Program. The Service Coordinator Program provides grants and rental subsidy funding for the employment and support of Service Coordinators in insured and assisted housing, Multifamily developments that were designed for elderly or non-elderly persons with disabilities and continue to operate as such. However, not all housing properties that are eligible for this program participate. Also, due to limitations in HUD data, we do not know to what extent housing properties are able to provide service coordination if they do not participate in the Service Coordinator Program.

Estimation of the total number of hours needed to prepare information collection including number of respondents, frequency of response, and hours of response: Approximately 400 Multifamily property managers will be surveyed on a one-time basis. Each survey is expected to take 30 minutes. Total burden hours are 200.

Status of the proposed information collection: Pending OMB approval.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35 (as amended).

Dated: August 15, 2006.

Darlene F. Williams,

Assistant Secretary for Policy Development and Research.

DEPARTMENT OF THE INTERIOR

Office of the Secretary

Invasive Species Advisory Committee

AGENCY: Office of the Secretary, Interior.

ACTION: Notice of public meetings of the Invasive Species Advisory Committee.

SUMMARY: Pursuant to the provisions of the Federal Advisory Committee Act, notice is hereby given of meetings of the Invasive Species Advisory Committee. The purpose of the Advisory Committee is to provide advice to the National Invasive Species Council, as authorized by Executive Order 13112, on a broad array of issues related to preventing the introduction of invasive species and providing for their control and minimizing the economic, ecological, and human health impacts that invasive species cause. The Council is co-chaired by the Secretary of the Interior, the Secretary of Agriculture, and the Secretary of Commerce. The duty of the Council is to provide national leadership regarding invasive species issues. The purpose of a meeting on September 12-13, 2006 is to convene the full Advisory Committee and to discuss implementation of action items outlined in the National Invasive Species Management Plan, which was finalized on January 18, 2001.

DATES: Meeting of Invasive Species Advisory Committee: Tuesday, September 12, 2006, through Wednesday, September 13, 2006; beginning at approximately 8 a.m., and ending at approximately 5 p.m. each day.

ADDRESSES: Hotel Washington, 515 15th Street, NW., Washington, DC 20004. Meeting will be held both days in the Washington Room.

FOR FURTHER INFORMATION CONTACT: Kelsey Brantley, National Invasive Species Council Program Analyst; Phone: (202) 513-7243; Fax: (202) 371-1751.

Dated: August 8, 2006.

Lori C. Williams,

Executive Director, National Invasive Species Council.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Receipt of 48 Applications and Availability of Environmental Assessment for Incidental Take Permits for Single-Family and Duplex Residential Developments on the Fort Morgan Peninsula, Baldwin County, AL

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: We, the Fish and Wildlife Service, have received applications from Alabama South Pools, Ms. Debbie Bankster, Baron Investments, Mr. Horton Bateman, BIOA LLC, Mr. Christopher Celeslie, Mr. Claud Clark, Mr. Robin Crick, Mr. Lawrence Dalgo, Mr. Erik Daniels, Mr. William Erwin, Mr. Mark Freeman, Mr. Mike Halliday, Mr. Leo Hastings, Harrison Building, Mr. Walter Lindsey, Mr. William Lingsch, Mr. Brian Litton, LK&K LLC, Mr. Michael Llop, Mr. Danny Mason, Mr. Lannie McRill, Mr. Michael Molleston, Mr. Johnny Moore, Ms. Margaret Pickering, Mr. Robert Relinski, Mr. Michael Sciortino Sr., Mr. Preston Simmons, Mr. Claude Sims, Mr. Gary Smith, Mr. Ron Spivey, Mr. Mike Stoddard, Mr. Larkin Strong, Mr. Robert Susko, TBI LLC, Mr. John Wales, and Mr. Kenneth Wallis (applicants) for incidental take permits (ITPs) pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973 (16 U.S.C. 1531 *et seq.*) (Act), as amended for the take of Alabama beach mouse (*Peromyscus polionotus ammobates*) (ABM). The proposed take would be incidental to the otherwise lawful activity of constructing 32 single-family residences, 13 duplex residences, and expansion of 3 existing residences on the Fort Morgan Peninsula in Baldwin County, Alabama. The applicants have prepared Habitat Conservation Plans (HCPs) specifying, among other things, the impacts that are likely to result from the taking and the measures each applicant would undertake to minimize and mitigate such impacts. We have prepared an environmental assessment (EA), which assesses the impacts of the proposed actions.

DATES: Written comments on the ITP applications, HCPs, and EA should be
