

III. Discussion and Commission Findings

After careful review, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁵ and, in particular, the requirements of section 6 of the Act.⁶ Specifically, the Commission finds that the proposal to convert an On-Floor Equity Governor position into an On-Floor PBOT Governor position is consistent with section 6(b)(3) of the Act,⁷ which, among other things, requires that an exchange assure a fair representation of members in the selection of its directors and administration of its affairs.⁸

The Phlx's Board of Governors is currently composed of the Chairman of the Board of Governors and 21 other Governors. Five Governors (*i.e.*, the On-Floor Governors) are required to be representatives of the Exchange's trading floor—three from the options trading floor and two from the equities trading floor. Although the proposal would convert one On-Floor Equity Governor position into an On-Floor PBOT Governor position, there still would be three On-Floor Equity Options Governors and one On-Floor Equity Governor on the Phlx's Board of Governors. In addition, the proposal would not alter the right of Phlx members, through their member organization representatives, to vote on the nominees for the On-Floor Governor positions, including the On-Floor PBOT Governor.⁹ Moreover, the proposal would not interfere with Phlx members' right to submit independent nominations for the On-Floor Governor positions, including the On-Floor PBOT

Governor. Although recommendations for the PBOT Governor position would be submitted to the Phlx's Nominating and Elections Committee by the PBOT Board of Governors, Phlx members, through their member organization representatives, can independently nominate by written petition candidates for On-Floor Governor positions, which would include the PBOT Governor position.¹⁰ Therefore, in the Commission's view, the proposal is consistent with the Act's requirement that the Exchange assure the fair representation of its members in the selection of the Exchange's directors.

The Commission finds good cause for approving Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of the publication of notice thereof in the **Federal Register**. The Commission notes that the amendment simply corrected a reference to a section of the Act that was contained in the original filing. The Commission therefore believes that it is appropriate to accelerate approval of the amendment so that the proposed rule change may be implemented on a timely basis.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements

with respect to the proposed rule change, as amended, that are filed with the Commission, and all written communications relating to the proposed rule change, as amended, between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the Phlx. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-Phlx-2005-11 and should be submitted on or before April 19, 2005.

V. Conclusion

For the foregoing reasons, the Commission finds that the proposed rule change, as amended, is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with section 6(b)(3) of the Act.¹¹

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹² that the proposed rule change (SR-Phlx-2005-11), as amended, is approved, and Amendment No. 1 is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

J. Lynn Taylor,

Assistant Secretary.
