[OMB 3060-0316, OMB 3060-0360, OMB 3060-0653, OMB 3060-0750 and OMB 3060-0754; FR ID 103153]

Information Collections Being Submitted for Review and Approval to Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it can further reduce the information collection burden for small business concerns with fewer than 25 employees.

DATES: Written comments and recommendations for the proposed information collection should be submitted on or before October 7, 2022.

ADDRESSES: Comments should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Your comment must be submitted into www.reginfo.gov per the above instructions for it to be considered. In addition to submitting in www.reginfo.gov also send a copy of your comment on the proposed information collection to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov. Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** below.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Cathy Williams at (202) 418–2918. To view a copy of this information collection request (ICR) submitted to OMB: (1) go to the web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called “Currently Under Review,” (3) click on the downward-pointing arrow in the “Select Agency” box below the “Currently Under Review” heading, (4) select “Federal Communications Commission” from the list of agencies presented in the “Select Agency” box, (5) click the “Submit” button to the right of the “Select Agency” box, (6) when the list of FCC ICRs currently under review appears, look for the Title of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

SUPPLEMENTARY INFORMATION: The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget

(OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

The statutory authority for this information collection is contained in sections 151, 152, 153, 154, 301, 302, 302a, 303, 303a, 307, 308, 309, 312, 315, 317, 325, 339, 340, 341, 503, 521, 522, 531, 532, 534, 535, 536, 537, 543, 544, 544a, 545, 548, 549, 552, 554, 556, 558, 560, 561, 571, 572, 573 of the Communications Act of 1934, as amended.

Total Annual Burden: 42,000 hours.

Total Annual Cost: None.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for the extension of a currently approved collection. The information collection requirements for this information collection are as follows: 47 CFR 76.1700 requires cable system operators to place the public inspection file materials required to be retained by the following rules in the online public file hosted by the Commission, with the exception of existing political file material which cable systems may continue to retain in their local public file until the end of the retention period: Sections 76.1701 (political file), 76.1702 (EEO), 76.1703 (commercial records for children’s programming), 76.1705 (performance tests—channels delivered); 76.1707 (leased access); and 76.1709 (availability of signals), 76.1710 (operator interests in video programming), 76.1715 (sponsorship identification), and 76.630 (compatibility with consumer electronics equipment. Cable systems with fewer than 5,000 subscribers may continue to retain their political file locally and are not required to upload new political file material to the online public file until March 1, 2018. In addition, cable systems may elect to retain the material required by Section 76.1708 (principal headend) locally rather than placing this material in the online public file.

47 CFR 76.1700(b) requires cable system operators to make the records required to be retained by the following rules available to local franchising authorities: Sections 76.1704 (proof-of-performance test data) and 76.1713 (complaint resolution).

47 CFR 76.1700(c) requires cable system operators to make the records required to be retained by the following rules available to the Commission: Sections 76.1704 (proof-of-performance test data), 76.1706 (signal leakage logs and repair records), 76.1711 (emergency alert system and activations), 76.1713 (complaint resolution), and 76.1716 (subscriber records).

47 CFR 76.1700(d) exempts cable television systems having fewer than 1,000 subscribers from the online public file and the public inspection requirements contained in 47 CFR 76.1701 (political file); 76.1702 (equal employment opportunity); 76.1703 (commercial records for children’s programming); 76.1704 (proof-of-performance test data); 76.1706 (signal leakage logs and repair records); and 76.1715 (sponsorship identifications).

47 CFR 76.1700(e) requires that public file material that continues to be

retained at the system be retained in a public inspection file maintained at the office which the system operator maintains for the ordinary collection of subscriber charges, resolution of subscriber complaints, and other business or at any accessible place in the community served by the system unit(s) (such as a public registry for documents or an attorney's office). Public files must be available for public inspection during regular business hours.

47 CFR 76.1700(f) requires cable systems to provide a link to the public inspection file hosted on the Commission's website from the home page of its own website, if the system has a website, and provide contact information on its website for a system representative who can assist any person with disabilities with issues related to the content of the public files. A system also is required to include in the online public file the address of the system's local public file, if the system retains documents in the local file that are not available in the Commission's online file, and the name, phone number, and email address of the system's designated contact for questions about the public file. In addition, a system must provide on the online public file a list of the five digit ZIP codes served by the system.

47 CFR 76.1700(g) requires that cable operators make any material in the public inspection file that is not also available in the Commission's online file available for machine reproduction upon request made in person, provided the requesting party shall pay the reasonable cost of reproduction. Requests for machine copies must be fulfilled at a location specified by the system operator, within a reasonable period of time, which in no event shall be longer than seven days. The system operator is not required to honor requests made by mail but may do so if it chooses.

47 CFR 76.1702(a) requires that every employment unit with six or more full-time employees shall maintain for public inspection a file containing copies of all EEO program annual reports filed with the Commission and the equal employment opportunity program information described in 47 CFR 76.1702(b). These materials shall be placed in the Commission's online public inspection file for each cable system associated with the employment unit. These materials must be placed in the Commission's online public inspection file annually by the date that the unit's EEO program annual report is due to be filed and shall be retained for a period of five years. A headquarters

employment unit file and a file containing a consolidated set of all documents pertaining to the other employment units of a multichannel video programming distributor that operates multiple units shall be maintained in the Commission's online public file for every cable system associated with the headquarters employment unit.

47 CFR 76.1702(b) requires that the following equal employment opportunity program information shall be included annually in the unit's public file, and on the unit's website, if it has one, at the time of the filing of its FCC Form 396-C: (1) A list of all full-time vacancies filled by the multichannel video programming distributor employment unit during the preceding year, identified by job title; (2) For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification, which should be separately identified), identified by name, address, contact person and telephone number; (3) The recruitment source that referred the hiree for each full-time vacancy during the preceding year; (4) Data reflecting the total number of persons interviewed for full-time vacancies during the preceding year and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and (5) A list and brief description of the initiatives undertaken during the preceding year, if applicable.

47 CFR 76.1703 requires that cable operations airing children's programming must maintain records sufficient to verify compliance with 47 CFR 76.225 and make such records available to the public. Such records must be maintained for a period sufficient to cover the limitation period specified in 47 U.S.C. 503(b)(6)(B). Cable television operators must file their certifications of compliance with the commercial limits in children's programming annually within 30 days after the end of the calendar year.

47 CFR 76.1707 requires that if a cable operator adopts and enforces a written policy regarding indecent leased access programming pursuant to § 76.701, such a policy will be considered published pursuant to that rule by inclusion of the written policy in the operator's public inspection file.

47 CFR 76.1711 requires that records be kept of each test and activation of the Emergency Alert System (EAS) procedures pursuant to the requirement of 47 CFR part 11 and the EAS Operating Handbook. These records shall be kept for three years.

47 CFR 76.5 describes certain terms covered in the cable industry.

OMB Control No.: 3060-0360.

Title: Section 80.409, Station Logs (Maritime Services).

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities, not-for-profit institutions, and state, local and tribal government.

Number of Respondents: 19,919 respondents; 19,919 responses.

Estimated Time per Response: 27.3–95 hours.

Frequency of Response:

Recordkeeping requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in 47 U.S.C. 151–155, 301–609.

Total Annual Burden: 559,901 hours.

Annual Cost Burden: No cost.

Needs and Uses: The Commission will submit this extension (no change in the recordkeeping requirement) to the OMB after this 60-day comment period to obtain the full three-year clearance from them. The information collection requirements are as follows:

Section 80.409(c), Public Coast Station Logs: This requirement is necessary to document the operation and public correspondence of public coast radio telegraph, public coast radiotelephone stations, and Alaska public-fixed stations, including the logging of distress and safety calls where applicable. Entries must be made giving details of all work performed which may affect the proper operation of the station. Logs must be retained by the licensee for a period of two years from the date of entry, and, where applicable, for such additional periods such as logs relating to a distress situation or disaster must be retained for three years from the date of entry in the log. If the Commission has notified the licensee of an investigation, the related logs must be retained until the licensee is specifically authorized in writing to destroy them. Logs relating to any claim or complaint of which the station licensee has notice must be retained until the claim or complaint has been satisfied or barred by statute limiting the time for filing suits upon such claims.

Section 80.409(d), Ship

Radiotelegraph Logs: Logs of ship stations which are compulsorily equipped for radiotelegraphy and operating in the band 90 to 535 kHz must contain specific information in log entries according to this subsection.

Section 80.409(e), Ship

Radiotelephone Logs: Logs of ship stations which are compulsorily equipped for radiotelephony must

contain specific information in applicable log entries and the time of their occurrence.

The recordkeeping requirements contained in section 80.409 is necessary to document the operation and public correspondence service of public coast radiotelegraph, public coast radiotelephone stations and Alaska-public fixed stations, ship radiotelegraph, ship radiotelephone and applicable radiotelephone including the logging of distress and safety calls where applicable.

OMB Control Number: 3060–0653.

Title: Sections 64.703(b) and (c), Consumer Information—Posting by Aggregators.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 56,075 respondents; 5,339,038 responses.

Estimated Time per Response: .017 hours (1 minute) to 3 hours.

Frequency of Response: On occasion reporting requirements; Third party disclosure.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this information collection is found at section 226 [47 U.S.C. 226] Telephone Operator Services codified at 47 CFR 64.703(b) Consumer Information.

Total Annual Burden: 174,401 hours.

Total Annual Cost: \$1,558,212.

Needs and Uses: The information collection requirements included under this OMB Control Number 3060–0653, requires aggregators (providers of telephones to the public or to transient users of their premises) under 47 U.S.C. 226(c)(1)(A), 47 CFR 64.703(b) of the Commission's rules, to post in writing, on or near such phones, information about the pre-subscribed operator services, rates, carrier access, and the FCC address to which consumers may direct complaints.

Section 64.703(c) of the Commission's rules requires the posted consumer information to be added when an aggregator has changed the pre-subscribed operator service provider (OSP) no later than 30 days following such change. Consumers will use this information to determine whether they wish to use the services of the identified OSP.

OMB Control Number: 3060–0750.

Title: 47 CFR 73.671, Educational and Informational Programming for Children; 47 CFR 73.673, Public Information Initiatives Regarding Educational and informational Programming for Children.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 1,756 respondents; 1,116,816 responses.

Estimated Time per Response: 0.017–0.084 hours.

Frequency of Response: Third-party disclosure requirements.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Sections 154(i), 303, and 336 of the Communications Act of 1934, as amended.

Total Annual Burden: 57,105 hours.

Total Annual Cost: None.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for the extension of a currently approved collection. The information collection requirements for this information collection are as follows:

Pursuant to 47 CFR 73.671(c)(5), each commercial television broadcast station must identify programming as specifically designed to educate and inform children by the display on the television screen throughout the program of the symbol E/I. This requirement is intended to assist parents in identifying educational and informational programming for their children. Noncommercial television broadcast stations are no longer required to identify Core Programming by displaying the E/I symbol throughout the program.

Pursuant to 47 CFR 73.671(e), each television broadcast station that preempts an episode of a regularly scheduled weekly Core Program on its primary stream will be permitted to count the episode toward the Core Programming processing guidelines if it reschedules the episode on its primary stream in accordance with the requirements of 47 CFR 73.671(e). Similarly, each television broadcast station that preempts an episode of a regularly scheduled weekly Core Program on a multicast stream will be permitted to count the episode toward the Core Programming processing guidelines if it reschedules the episode on the multicast stream in accordance with the requirements of 47 CFR 73.671(e). Among other requirements, the station must make an on-air notification of the schedule change during the same time slot as the preempted episode. The on-air notification must include the alternate date and time when the program will air.

Pursuant to 47 CFR 73.673, each commercial television broadcast station licensee must provide information identifying programming specifically designed to educate and inform children to publishers of program guides. This requirement is intended to improve the information available to parents regarding programming specifically designed for children's educational and informational needs. Commercial television broadcast station licensees are no longer required to provide program guide publishers an indication of the age group for which the programming is intended.

OMB Control Number: 3060–0754.

Title: FCC Form 2100, Application for Media Bureau Audio and Video Service Authorization, Schedule H.

Form Number: FCC Form 2100, Schedule H.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 1,756 respondents; 1,756 responses.

Estimated Time per Response: 10 hours.

Frequency of Response:

Recordkeeping requirement: Annual reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this collection of information is contained in Sections 154(i) and 303 of the Communications Act of 1934, as amended.

Total Annual Burden: 17,560 hours.

Total Annual Cost: \$1,053,600.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for the extension of a currently approved collection. Commercial full-power and Class A television broadcast stations are required to file FCC Form 2100, Schedule H (formerly FCC Form 398) (Children's Television Programming Report) within 30 days after the end of each calendar year. FCC Form 2100, Schedule H is a standardized form that: (a) Provides a consistent format for reporting the children's educational television programming aired by licensees to meet their obligation under the Children's Television Act of 1990 (CTA), and (b) facilitates efforts by the public and the FCC to monitor compliance with the CTA.

Commercial full-power and Class A television stations are required to complete FCC Form 2100, Schedule H within 30 days after the end of each calendar year and file the form with the Commission. The Commission places the form in the station's online public inspection file maintained on the

Commission's database (www.fcc.gov). Stations use FCC Form 2100, Schedule H to report, among other things, the Core Programming (i.e., children's educational and informational programming) the station aired the previous calendar year. FCC Form 2100, Schedule H also includes a "Preemption Report" that must be completed for each Core Program that was preempted during the year. This "Preemption Report" requests information on the reason for the preemption, the date of each preemption, the reason for the preemption and, if the program was rescheduled, the date and time the program was re-aired.

GENERAL SERVICES ADMINISTRATION

[Notice-MRB-2022-03; Docket No. 2022-02;
Sequence No. 20]

GSA Acquisition Policy Federal Advisory Committee; Notification of Upcoming Web-Based Public Meeting

AGENCY: Office of Government-wide Policy, General Services Administration (GSA).

ACTION: Notice.

SUMMARY: GSA is providing notice of the first meeting of the GSA Acquisition Policy Federal Advisory Committee (hereinafter "the Committee" or "the GAP FAC") in accordance with the requirements of the Federal Advisory Committee Act. This meeting will be open to the public. Information on attending and providing written public comment is under the **SUPPLEMENTARY INFORMATION** section.

DATES: The GSA Acquisition Policy Federal Advisory Committee will hold a web-based open public meeting on September 22, 2022, from 1 p.m. to 4 p.m. Eastern Daylight Time (EDT).

ADDRESSES: The meeting will be accessible via webcast. Registrants will receive the webcast information before the meeting.

FOR FURTHER INFORMATION CONTACT: Boris Arratia, Designated Federal Officer, Office of Government-wide Policy, 703-795-0816, or email: boris.arratia@gsa.gov; or Stephanie Hardison, Office of Government-wide Policy, 202-258-6823, or email: stephanie.hardison@gsa.gov. Additional information about the Committee,

including meeting materials and agendas, will be available on-line at <https://gsa.gov/policy-regulations/policy/acquisition-policy/gsa-acquisition-policy-federal-advisory-committee>.

SUPPLEMENTARY INFORMATION: The Administrator of GSA established the GSA Acquisition Policy Federal Advisory Committee as a discretionary advisory committee under agency authority in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App 2).

As America's buyer, GSA is uniquely positioned to enable a modern, accessible, and streamlined acquisition ecosystem and a robust marketplace connecting buyers to the suppliers and businesses that meet their mission needs. The GAP FAC will assist GSA in this endeavor through expert advice on a broad range of innovative solutions to acquisition policy, workforce, and industry partnership challenges.

The GAP FAC will serve as an advisory body to GSA's Administrator on how GSA can use its acquisition tools and authorities to target the highest priority Federal acquisition challenges. The GAP FAC will advise GSA's Administrator on emerging acquisition issues, challenges, and opportunities to support its role as America's buyer.

The initial focus for the GAP FAC will be on driving regulatory, policy, and process changes required to embed climate and sustainability considerations in Federal acquisition. This includes examining and recommending steps GSA can take to support its workforce and industry partners in ensuring climate and sustainability issues are fully considered in the acquisition process.

Purpose of the Meeting

The purpose of this meeting is to provide introductions, discuss the Committee charge, and begin the Committee's work.

Meeting Agenda

- Opening remarks
- GAP FAC Member Introductions
- GAP FAC Charter, Purpose & Goals
- Subcommittee Establishment Discussion
- Summary and Next Steps
- Closing Remarks and Adjourn

Meeting Registration

The meeting is open to the public. The meeting will be accessible by webcast. Registration is required for web viewing. To register, go to: <https://>

www.eventbrite.com/e/412111505607
Online registration closes at 5:00 p.m. EDT September 21, 2022. All registrants will be asked to provide their name, affiliation, phone number, and email address. After registration, individuals will receive webcast access information via email.

Public Comment

Written public comments are being accepted throughout the life of the Committee. Written comments can be sent to gapfac@gsa.gov. For comments specific to this public meeting, submit the comment via email by September 21, 2022 with the meeting date in the subject line.
